DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. (Spot) Clean (any) soiled areas before application. From a distance of 6 to 8 inches, spray evenly until damp to kill bacteria that cause odors. As item dries, odors are eliminated, and bacteria that cause odors are killed. Allow sprayed surfaces to completely dry before reuse. Reapply as needed

FABRIC SAFETY: Will not harm fabrics. On fabrics which may waterspot (such as silk), test a small area of fabric which cannot be seen. Not recommended for use on leather or suede.

CAUTION: May cause eye irritation. Avoid contact with eyes.

FIRST AID: IF IN EYES: Hold eyelids open and flush thoroughly with water for 15 minutes. If irritation persists, call a physician.

EPA Reg. No. 3573-69
EPA Est. No. 3573-MO-1

STORAGE AND DISPOSAL: Store at room temperature. Discard empty container in trash.
