Date of Issuance:

APR - 6 2001

NOTICE OF PESTICIDE:

Registration
 Reregistration

Term of Issuance: Until Reregistration

(under FIFRA, as amended)

Name of Pesticide Product:

Mariner

Name and Address of Registrant (include ZIP Code):

Procter & Gamble
Sharon Woods Technical Center
11530 Reed Hartman Highway
Cincinnati, Ohio 45202

Note: Changes in labeling affecting in substance the registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistration under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c) (7) (A) provided that you:

1. Submit and/or cite all data or other material required for registration/reregistration of your product under FIFRA sec. 3(c) (5) or FIFRA sec. 4 when the Agency requires all registrants of similar products to submit such data.

2. Add the phrase, "EPA Registration No. 3573-72" to your label before you release your product for shipment.

Signature of Approving Official:

Adam Heyward, Product Manager (34)
Regulatory Management Branch II
Antimicrobials Division (7510W)

Date:

APR - 6 2001

3. Based on the results of the acute toxicity data, this product is a Toxicity Category IV for all acute route of exposure and nonsensitizer. Therefore first aid statements are not required. However, you have the option of including the First Aid statements. Refer to PR Notice 2001.3 for appropriate wording. This also apply for the precautionary statements.

4. Add the word "Pesticide" before the Storage and Disposal heading.

5. The 4 alternate Confidential Statement of formula are acceptable. In addition the request to adjust the Certified Limits is acceptable.

Submit five (2) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

Adam Heyward
Product Manager 34
Regulatory Management Branch II
Antimicrobials Division (7501C)
