NOTICE OF PESTICIDE:

| Term of Issuance: CONDITIONAL

X Registration
Re-registration

Name of Pestidiae Projust:

(under FIFRA, as amended)

Tide with Bleach Opal

Name and Address of Registrant (include ZIF code):

The Proctor & Gamble Company 11350 Reed Hartman Highway Cincinnati, Ohio 45241-2422

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Antimicrobials Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA Section 3(c)(7)(A) provided that you:

- 1. Submit and/or cite all data required for registration of your product under FIFRA Section  $3(c)\,(5)$  when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for re-registration of your product under FIFRA Section 4, or as required by registration review under FIFRA Section 3(g).
  - Make the following labeling changes:
    - a. Revise the EPA Registration Number to read, "EPA Reg. No. 3573-73."

Signature of Approving Official:

Date:

Marshall Swindell, Product Manager, Team 33,

Suco MA

OCT 0 2 2002

Regulatory Management Branch I, Antimicrobials Division

page 2 EPA Reg. No. 3573-73

3. Submit three copies of a final printed production label.

The revised Confidential Statement of Formula dated September  $14^{\rm th}$ , 2001, is acceptable.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA Section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the accepted label is enclosed for your records.

If you have any questions concerning this letter, please contact Karen M. Leavy-Munk at 703-308-6237.

Sincerely,

Marshall Swindell Product Manager 33

- This package contains 31 uses as measured to line 1 on the scoop. Greater than medium fill results in fewer uses. The precise number of uses from each package will vary slightly with the method of scooping and settling during shipment.

Follow garment care label instructions.

Tide with Bleach is safe for washable colorfast fabrics, including those with care labels reading "Only Non-Chlorine Bleach." Some fabrics may be susceptible to color change when laundered as directed. To test for colorfastness before washing consult the following:

- · Check label instructions
- Dissolve 2 tablespoons Tide (30 mL) in 1 CUP (250 mL) Hor Water.
- Soak 20 minutes
- · Rinse and Dry

If a color change is detected, wash garment separately in cold water.
