	3573-74	NOV 27 2001
	Term of Issuance: Conditional	
Name of Pesticide Product:		Cougar
Name and Address of Registrant (include ZIP Code): Proctor and Gamble Sharon Woods Technical Center 11530 Reed Hartman Highway Cincinnati, OH 45241-2422		
<p>Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.</p> <p>On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.</p> <p>Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.</p> <p>This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:</p> <ol style="list-style-type: none"> Submit and/or cite all data required for registration/ reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4. Make the following label changes: <ol style="list-style-type: none"> Revise the EPA Registration Number to read, "EPA Reg. No.3573-74". Based on the August 22, 2001 electronic mail, anywhere the phrase "... 99.9% of bacteria" appears on the label must be qualified by using the term of "many" or "some." Alternatively, you may place an asterisk (*) after the word, "bacteria," and then identify the specific organisms mitigated by this product on another panel. A stamped label is enclosed for your records. Submit 2 copies of the final printed label before you release this product for shipment. <p>If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of this product constitutes acceptance of these conditions.</p>

BACK/SIDE Label

Cougar or Alternate Brand Name

DIRECTIONS FOR HOUSEHOLD USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

GENERAL CLEANING: [Instructions will be shown with icons depicting the use of the Cougar (or alternate brand name) system]

1. **DO NOT REMOVE CAP.** Place the arrow against the Cougar handle.
2. Insert into Cougar appliance.
3. Spray solution.
4. No need to rinse.

Do not use on unfinished, oiled or waxed wood floors.

TO SANITIZE: For use on hard non-porous floors. Use the Cougar mop to spray floor until thoroughly wet. Let stand for 5 minutes before mopping, then remove excess liquid. For heavily soiled floors, clean before following sanitizing instructions.

PRECAUTIONARY STATEMENTS: Hazards to Humans

CAUTION: Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling.

FIRST AID: If in eyes, hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing the eye. Contact a poison control center or doctor for treatment advice. Have the product container or label with you when calling the poison control center or doctor, or going for treatment.

STORAGE/DISPOSAL: Store in cool place. Discard empty bottle in trash. Do not attempt to refill. Contains no phosphate, chlorine bleach or ammonia.
