EPA Registration Number 3573-74
Notification of Label Change: Fruit Graphic on a Registered Antimicrobial Product Label

Dear Ms. Noble,

This provides the agency notification of non-mandatory labeling changes and the addition of fruit on the label for Cougar (EPA Reg. No. 3573-74). The Procter & Gamble Company submits these notifications under the provisions of PR Notice 98-10.

Fruit Graphic on Label

A notification of fruit graphics is submitted to the Agency to comply with the November 13, 2002 letter from Mr. Frank Sanders to Ms. B.D. Klein, CSPA.

The Procter & Gamble Company is introducing a new scent variant to the Cougar registration, a citrus scent. The fruit graphic represents the citrus scent as contained in the product. EPA previously approved the citrus fragrance P&G intends to use on June 26, 2003. The Procter & Gamble Company requests the Agency to approve this graphic as depicted on the attached document.

Enclosed are the following supporting documents:

- Application Form (EPA Form 8570-1)
- One copy of revised master label showing revisions
- Two copies of revised master label
- Two copies of the Cougar market label (submitted under previously approved alternate brand name Swiffer WetJet Antibacterial Cleaner)

If you have any questions regarding this notification, please call me at 513-626-4523.

Sincerely,

Janice L. Dhonau

Place arrow against the WetJet handle
~~Do not use on unfinished, oiled or waxed wood floors.~~

TO SANITIZE: For use on hard non-porous floors. Use the Cougar mop to spray floor until thoroughly wet. Let stand for 5 minutes before mopping, then remove excess liquid. For heavily soiled floors, clean before following sanitizing instructions.

Do not use on unfinished, oiled or waxed wood floors.

PRECAUTIONARY STATEMENTS: Hazards to Humans

CAUTION: Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling.

FIRST AID: If in eyes, hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing the eye.

Contact a poison control center or doctor for treatment advice. Have the product container or label with you when calling the poison control center or doctor, or going for treatment.

STORAGE/DISPOSAL: Store in cool place. Discard empty bottle in trash. Do not attempt to refill. Contains no phosphate, chlorine bleach or ammonia.
