MIXING AND USING DIRECTIONS

DURSBAN 4E insecticide mixes readily with water or oil. Dilute the required amount of DURSBAN 4E in water or in a base oil such as deodorized kerosene or No. 2 fuel oil. Mix according to the following table to obtain the desired concentration of 0.25% or 1 oz. DURSBAN insecticide. Use the higher concentration (0.50%) to quickly reduce heavy cockroach infestations and the lower concentration (0.25%) on light infestations.

Amount of DURSBAN 4E to add to one gallon of water or oil to obtain
Mixture desired for 0.25% spray for 0.50% spray

1 gallon	0.6 fluid ounces	1.1 fluid ounces
2 gallons	1.2 fluid ounces	2.2 fluid ounces
5 gallons	3.0 fluid ounces	5.5 fluid ounces
10 gallons	6.0 fluid ounces	11.0 fluid ounces

Use as a spot treatment by applying as a coarse spray or with a pump sprayer, to areas where cockroaches usually are found. These areas include dark corners, cracks and crevices, around baseboards, in holes in the wall, behind the boards, around and beneath sinks, refrigerators, stoves, and cabinets, and around drainpipes. Apply in a manner so as to spray or mist contacting food, feedstuff and water supplies, dishes and food handling utensils should be thoroughly washed in soap and water if they have become contaminated by the application of this product. Repeat treatment as needed. NOTE: A period of 4 to 7 days after treatment is normally required for maximum effect on cockroaches.

CAUTION:

Fish and crustaceans may be killed if their waters are contaminated with this product. Do not contaminate water by cleaning equipment or disposal of waste.

Promptly crush empty containers and bury them in locations isolated from water.

Keep children and pets off of treated areas until the spray has dried.

WARNING

KEEP OUT OF REACH OF CHILDREN AND ANIMALS
MAY BE FATAL IF SWALLOWED. MAY BE ABSORBED THROUGH THE SKIN.
MAY BE INJURIOUS TO EYES AND SKIN

Do not get on skin or in eyes. Wash thoroughly after handling.
Do not wear contaminated clothing. Avoid breathing vapor or spray mist. Keep away from food, feedstuff and water supplies.
Keep container closed. Keep away from heat and open flame. Flush contaminated eyes with plenty of water and get medical attention.
NOTE TO PHYSICIAN: Active ingredient is a cholinesterase inhibitor. Treat symptomatically. Atropine is an antidote.

COMBUSTIBLE LIQUID

NOTICE: Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of MERCHANTABILITY or FITNESS FOR A PARTICULAR PURPOSE, expressed or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use.
