

DIRECTIONS FOR USE

Spray infested surfaces only until wet.

ROACHES, ANTS, WATERBUGS, SILVERFISH, SPIDERS, CRICKETS, EARWIGS: spray heavily into all cracks, around baseboards and other places where these insects hide. Also spray surfaces behind and beneath cabinets, refrigerators, sinks, stoves. Spray other localized areas infested with these pests. Repeat treatment as required.

CARPET BEETLES: make localized application to areas of the floor and baseboards. Spray directly into cracks and under carpets where insects may be found. Treat crevices, cracks or closets and infested areas of shelving. Repeat as necessary.

BROWN DOG TICKS: Thoroughly spray infested areas around baseboards, window and door frames, wall cracks, sleeping quarters of household pets and localized areas of floors and floor coverings. Applications should be repeated as infestations warrant and as re-infestations occur. Fresh bedding should be placed in animal quarters following treatment. **DO NOT** treat animals with this formulation.

FLIES, MOSQUITOES, WASPS AND FLYING MOTHS OUTDOORS: for outdoor use only as an aid in reducing annoyance from these insects. Spray outside surfaces or screens, doors, window frames or wherever these insects may enter the room. Also treat surfaces around light fixtures on porches, in garages, and other places where these insects alight or congregate.

CRACK & CREVICE TREATMENT: For use in **FOOD AREAS - FOOD HANDLING ESTABLISHMENTS** - places other than private residences in which exposed food is held, processed, prepared or served. **APPLICATION LIMITED TO CRACK AND CREVICE TREATMENT ONLY** - Includes areas for receiving, storage, packing (canning, bottling, wrapping, boxing) preparing, edible waste storage and enclosed processing systems (mills, dairies, edible oils, syrups). Serving areas (when food is exposed and facility is in operation also would be considered a food area). Apply in small amounts directly into cracks and crevices using equipment capable of delivering a pin stream of insecticide in points between different elements of construction, between equipment and floors, openings leading to voids and hollow spaces in walls, equipment legs and bases, conduits, motor housings, junction or switch boxes, where cockroaches, ants, spiders, and silverfish hide. Prior to application de-energize electrical equipment. After application allow time for oil to evaporate before starting motors or placing switches in the "ON" position. Care should be taken to avoid depositing the product onto exposed surfaces or introducing the material into the air. Avoid contamination of food or food processing surfaces.

APPLICATIONS OF THIS PRODUCT IN THE FOOD AREAS OF FOOD HANDLING ESTABLISHMENTS, OTHER THAN AS A CRACK AND CREVICE TREATMENT ARE NOT PERMITTED.

NON-FOOD AREAS - Includes garbage rooms, lavatories, floor drains (to sewers), entries and vestibules, offices, locker rooms, machine rooms, boiler rooms, garages, mop closets and storage (after canning or bottling). General Application - Apply to baseboard areas, around water pipes, surfaces behind and beneath sinks, lockers, tables, pallets and similar areas where insects hide or through which they may enter.

CAUTION

Harmful if swallowed. Keep out of reach of children. Do not allow children in treated areas until surfaces are dry. Avoid inhalation and skin contacts; wash thoroughly after using. **DO NOT** use on household pets or humans.

DO NOT use, pour, spill or store near heat or open flame. **DO NOT** smoke while using.

NOTICE: Seller's guaranty shall be limited to the terms of the label and subject thereto. The buyer assumes any risk of damage to persons or property arising out of use or handling, and accepts the product on these conditions.

ENVIRONMENTAL CAUTIONS: This product is toxic to fish, birds, and other wildlife. Keep out of lakes, streams or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label. Birds feeding On Treated Areas May Be Killed.

INSECT SPRAY KILLS RESISTANT ROACHES
