

**NOTICE OF PESTICIDE:**  REGISTRATION  
 REREGISTRATION

(Under the Federal Insecticide, Fungicide,  
 and Rodenticide Act, as amended)

NAME OF PESTICIDE PRODUCT

Pic Roach Control System II

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Pic Corporation  
 23 South Essex Avenue  
 P.O. Box 543  
 Orange, NJ 07050

**NOTE:** Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit/enclose all data required for registration of your product under FIFRA section 3(c)(5) when the Act requires all registrants of similar products to submit such data.
2. Add the phrase "EPA Registration No. 499-100" to your label before you release the product for shipment.
3. Submit five (5) copies of your final label to the Agency before you release the product for shipment. Refer to the Act and Regulations for a further description of final printed labels.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 3(c). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

## BACK PANEL OF BOX

An effective system for killing Roaches - Kills the eggs they carry and does it fast!!

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

1. Remove all visible food, crumbs where Roaches have been seen.
2. Use all 12 Bait Trays at one time for effective control. The greater number Trays used - the more effective!!
3. Remove Bait Stations from Tray - by placing thumbs on label and keep trays in hand push traps out of pre-cut plastic frame.
4. Use double faced tape inside package to mount some trays on walls of shelves. Place under sinks - refrigerator - stove in pantry and wherever Roaches are seen - and as suggested in sketch.
5. Use 4 - 6 trays in room where heavy - infestation exists.
6. For maximum results replace bait trays every 2-3 months.

## PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

CAUTION: Harmful if swallowed. Get immediate medical attention.

## STATEMENT OF PRACTICAL TREATMENT

If swallowed: Drink 1 or 2 glasses of water and induce vomiting by sticking finger down throat. Call a physician.

If in Eyes: Flush with plenty of water.

If on Skin: Wash thoroughly with soap and water.

DISPOSAL: Keep Bait Trays and place in trash cans.

STORAGE: Place in cool place away from children.

REFUND: If not satisfied with Pic Roach Control return all 12 Bait Trays for refund to Pic Corp., 23 S. Essex Ave., OR., N.J.
