# NOVA

**CAUTION** - Keep Out of the Reach of Children,  
See back panel for additional cautions.  
USDA Reg. No. 3624-58

## NOVABAN-R

especially formulated for use in the food industry, but suitable for use in the home. **KILLS ON CONTACT** the exposed and accessible stages of roaches, silverfish, spiders and the insects commonly found in stored grains and cereal products. **REPELS** roaches of all varieties.\* **CAUTION:** Should not be applied directly to food or feed stuffs.  
\*German, American and oriental  
Insects find this product very irritating. When it is directed into cracks and crevices in which roaches are hiding, they come out running. Those hit by the spray die very quickly. In driving out the insects present in these spots a residual film of repellent is left behind. This film makes the hiding places very unpleasant for other roaches coming along later.

### DIRECTIONS

General: Novaban R should be applied as a coarse wet spray rather than as a mist. This is best accomplished by using a low pressure sprayer of the knapsack or garden variety. The insecticide components kill on contact and it is desirable to hit as many insects as possible during the spraying. The repellent is residual in action and remains for some time after the killing action of the insecticide has disap-

A NOVA PRODUCT OF **NOVA** PRODUCTS INCORPORATED

KANSAS CITY, KANSAS

This product can

be applied much more generally than most of the residual insecticides commonly used in household sprays.

**ROACHES, SILVERFISH, SPIDERS:**  
Spray infested areas thoroughly and direct the liquid behind baseboards, moldings, cabinets, shelves, sinks, door and window frames, and pipes and toward drains and dark corners and into cracks, crevices, recesses and similar hiding places. Remember, you kill only the roaches you hit.

### CAUTION

Do not spray near or toward open flames.

Harmful if swallowed. Keep out of reach of children.

Avoid contamination of foods and food utensils and feed stuffs.

### NOTICE TO BUYER

SELLER makes no warranty of any kind, expressed or implied, concerning the use of this product. BUYER assumes all risk of handling and of use, whether in accordance with directions or not.
