

**PRECAUTIONARY STATEMENTS
HAZARDOUS TO HUMANS & DOMESTIC ANIMALS
CAUTION**

Harmful if swallowed. Avoid breathing vapors or spray mist. Contains petroleum distillate. If swallowed do not induce vomiting. Get medical attention. Avoid contact with skin and eyes. In case of contact immediately flush eyes or skin with plenty of water. Obtain medical attention if irritation persists. Do not apply directly to body. Avoid contact with eyes. Do not apply space spray while food is being prepared. Cover or remove all food processing surfaces. Thoroughly wash and rinse with potable water all food processing surfaces before reuse. After spraying in food processing plants, wash and rinse with potable water all equipment, benches, shelving, etc. where exposed food will be handled. Food processing operations have to be stopped while applying a wet spray with care and in accordance with the directions and cautions given above. Remove pets, birds and cover fish aquariums before spraying.

This product is not intended for household use.

PHYSICAL OR CHEMICAL HAZARDS

DO NOT spray into or near fire or open flames. DO NOT smoke while spraying.
Minimum flash point 176°F. (TCC)

ENVIRONMENTAL HAZARDS

This product is toxic to fish, birds and other wildlife. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label. Keep out of lakes, streams, or ponds.

DIRECTIONS FOR USE

In violation of Federal law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.
Open dumping is prohibited.
Storage: Store in a cool, dry place. Keep container closed. Do not store near open flame.
Residue disposal: Rinse containers from the use of this product by the disposal of the residue.
Waste containers: Triple rinse (or equivalent). Then offer for recycling or reuse, if available, or dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.
Empty containers: Triple rinse (or equivalent). Then offer for recycling or reuse, if available, or dispose of in a sanitary landfill, or by other procedures approved by state and local authorities. Do not burn. If burned, stay out of flame.
General: Consult Federal, State, or local laws and regulations for disposal procedures.

**MULTIPURPOSE
CONTACT SPRAY**

INDUSTRIAL SPRAY FOR FOOD PROCESSING INDUSTRIES.
FOR USE IN FOGGING EQUIPMENT OR TANK TYPE SPRAYERS.

ACTIVE INGREDIENTS: 100%

| | |
|-------------------------------------|--------|
| Pyrethrins | 0.34% |

STATEMENT OF PRACTICAL TREATMENT

[Faint text describing treatment instructions]

EPA Reg. No. 3024-127

NOVA PRODUCTS, INC.
800 HICKORY • KANSAS CITY, MISSOURI 64101

DIRECTION

This is a contact spray. Do not spray directly into the eyes. Piperonyl butoxide can be used without using excessive force. Packing establishments are not suitable for this spray. Sanitation: Good sanitation is essential. Before spraying or fogging, ingredients, food wastes or other materials — or food to be covered. Product zones or areas should be covered.

CAUTION: Do not overfill into 40,000 cubic feet (or less) of space as gas.

FLYING INSECTS: India flies, gnats, mosquitoes, and the various types of fogs installed or use a tank type fogger toward the ceiling for 10,000 cubic feet or less.

CRAWLING INSECTS: granary weevils, caterpillars, silverfish, spiders, ants, or other types which give cracks and other hiding places as possible. Repeat spray as possible.

CARPET BEETLES: In all cases to obtain adequate control, when Carpet beetles are present, REPEAT APPLICATIONS.
