

OCT 17 1991

Mr. Bruce Steadman
Oxford Chemical, Inc.
P.O. Box 30202
Atlanta, GA 30366

Dear Mr. Steadman:

Subject: Removal of Methylene Chloride
Oxford Kiltz-M
EPA Registration No. 3635-100
Your resubmission of August 9, 1991

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Herbicide Act, as amended, is acceptable provided that you make the labeling changes listed below before you release the product for shipment bearing the amended labeling:

1. In the ingredient statement change "Pyrethrins I and II" to "Pyrethrine"
2. Delete the risk or respirator requirement from the Hazard to Human paragraph or provide an explanation as to why a product with the signal word "Caution" should have that language.
3. Add the heading "Environmental Hazard" in the appropriate type size directly above the environmental hazard statement.

Submit five (5) copies of your final printed labeling before you release the product for shipment

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Harmful if swallowed. Avoid breathing vapor. Aspiration is a potential hazard. Avoid contact with skin, eyes or clothing. Wear mask or respirator of type recommended by NIOSH (National Institute for Occupational Safety or Health) to give adequate protection against this material. Wear protective clothing. Wash exposed skin with soap and water after handling and before eating. Wash all contaminated clothing with soap and water, separately from other clothing, before reuse. Do not use as space spray. Provide adequate ventilation of areas being treated. Do not allow children to contact treated areas until surfaces are thoroughly dry. Do not store near food or food products. Do not use in commercial food preparation areas or in edible product areas of food processing plants. Do not apply to animals. Remove pets and cover fish bowls before spraying. Do not spray plants.

This product is toxic to fish, birds and other wildlife. Do not apply directly to water. Do not contaminate water when disposing of equipment washwater.

PHYSICAL OR CHEMICAL HAZARDS

Caution: Combustible mixture. Do not use or store near heat or open flame. Do not smoke while spraying.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. SEE SIDE PANEL FOR ADDITIONAL INSTRUCTIONS.

STORAGE AND DISPOSAL

PROHIBITIONS: Do not contaminate water, food or feed by methods of storage or disposal. Open dumping is prohibited unless in an EPA approved landfill.

PESTICIDE DISPOSAL: Pesticide, spray mixture, or rinseate that cannot be used according to label instructions may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Triple rinse (or equivalent) then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other approved State and local procedures.

GENERAL: Consult Federal, State or local disposal authorities for approved alternate procedures.

Residual Insecticide With Propoxur

OXFORD KILZ-M is a highly effective, ready-to-use formulation for control of Ants, Brown Dog Ticks, Centipedes, Cockroaches, Clover Mites, Crickets, Earwigs, Firebrats, Fleas, Flies, Gnats, Millipedes, Mosquitoes, Paperlice, Punkies, Sandflies, Scorpions, Silverfish, Sowbugs, and Spiders.
