CAUTION

KEEP OUT OF REACH OF CHILDREN

DO NOT USE, POUR, SPILL OR STORE NEAR HEAT OR OPEN
FLAME.

Harmful if swallowed. Avoid breathing of spray or mist. Wash
thoroughly after using. Avoid contamination of food and food
stuffs.

This product is toxic to fish. Keep out of lakes, streams or ponds.
Do not contaminate water by cleaning of equipment or disposal of
wastes. Apply this product only as specified on this label.

Do not reuse empty drum. Return to drum reconditioner or destroy
by perforating or crushing and burying in safe place.

DIRECTION:

Remove children, pets or fishbowls from the area to be sprayed.
Cover foods and any utensils that may be used for food handling.
Use only a coarse spray in the cracks, crevices and other hiding
places of insects, applying enough to wet surface without any
run-off of the spray. Repeat after 2 to 4 weeks, or as needed. Do
not use in commercial food preparation areas or in edible products
areas of food processing plants.

Insekill #217 is a deodorized base oil solution for indoor-outdoor
application as a surface spray. For the control of cockroaches, ants,
spiders, silverfish, earwigs and scorpions. Residues effective against
resting houseflies, wasps and mosquitoes.
