

# BOWL WHITE TOILET BOWL CLEANER

CLEANS DISINFECTS DEODORIZES

### ACTIVE INGREDIENTS:

Hydrogen Chloride . . . . .	23.00%
N-alkyl (C12 40%, C14, 50%, C16 10%) dimethylbenzyl ammonium chloride . . . . .	0.05%
Tributyltin chloride complex of ethylene oxide condensate of abietylamine . . . . .	0.01%
INERT INGREDIENTS . . . . .	76.94%

AOAC Use Dilution Method, 11th Edition  
Salmonella choleraesuis -1:100

## DANGER

Corrosive: Keep out of reach of children. May be fatal if swallowed.

Do not breathe vapor fumes. Produces chemical burns. Do not get in eyes, on skin or on clothing.

### Antidote:

**Internal** - Call a physician immediately. Drink a teaspoonful or more of magnesia, chalk or small pieces of soap, softened with water in milk or raw egg white.

**External** - Eyes - Wash with water for 15 minutes. Get prompt medical attention. Skin - wipe off the acid gently, immediately flood the surface with water, using soap freely, then cover with moist magnesia or baking soda.

Rinse empty container thoroughly with water and discard it. Do not mix with bleach.

EPA Reg. No. 3635-157

## DANGER

## POISON

CONTAINS HYDROCHLORIC ACID

### KEEP OUT OF REACH OF CHILDREN

Read Antidote and Precautions on side panel.

### DIRECTIONS

1. To clean, disinfect and deodorize toilet bowls: DO NOT REMOVE WATER FROM BOWL. Flip open cap, invert container, point opening and direct stream by light squeeze pressure to underneath the toilet bowl rim. Turn the container to follow the outline of this area, completely wetting.  
For normal conditions 1 ounce is sufficient to remove soil, rust, lime scale and uric encrustation, as well as disinfect and deodorize. Allow sufficient contact time, 10 minutes, for the surface to be cleaned. Use bowl mop to swab this solution on all surfaces including toilet seat.
2. For Urinals: Place bowl mop over trap and follow same dispensing method as above. Swab with bowl mop covering area completely, allowing sufficient contact time.
3. Shower Stalls: Glazed and ceramic tile — Grouting may be cleaned without damage. Allow to remain in contact a few minutes and rinse with clear water. Bowl White will not damage china and vitreous surfaces.
