Do not reuse empty drum. Return to drum reconditioner or destroy by perforating or crushing and burying in a safe place.

EPA Reg. No. 3635-159

#### DESCRIPTION

For use in Meat Packing Plants, Bakeries, Food Processing Plants, Hospitals, Schools, Hotels, Motels, Office Buildings, Supermarkets, Bottling Plants.

MISTOX kills flies, mosquitoes, roaches, waterbugs, wasps, ants, pyralid and noctuid, flying moths, grain mites, sow bugs, centipedes, and spiders that are contacted by the product. Fill room with a heavy mist using 1 oz. per 1000 cubic feet of space for the control of flying insects.

Do not apply as a space spray in food processing areas when these areas are in operation. Remove or cover exposed foodstuffs while spraying. After spraying, thoroughly wash all surfaces on which spray may have deposited with a detergent solution and rinse with potable water. Modern insect control requires regular treatment and good housekeeping.
