CLEANER

DEODCRANT

DISINFECTANT

FUNGICIDE

USE DIRECTIONS

Use at 2 ounces per gallon. This product will provide 500 ppm quaternary to the use solution. This is enough for general disinfection, fungicidal activity against pathogenic fungi and deodorizing.

For best results, use Oxford Pine-D with a cloth or mop and apply to walls, floors, table tops, counters and garbage pails.

Treated food contact surfaces must be rinsed with potable water prior to reuse.

For use in hospitals, 3 ounces per gallon will be required for disinfection against Pseudomonas aeruginosa.

For heavy soil, a pre-cleaning step is recommended before using Oxford Pine-D.

AOAC Phenol Coefficients Guaranteed Minimum:

"Do not reuse empty container. Rinse thoroughly with water before discarding or returning to drum reconditioner."

Oxford Pine-D is a cleaner, disinfectant, and sanitizer designed for general household and light industrial cleaning. For use on walls, floors and similar inanimate hard surfaces. When used as directed, Oxford
