D'GERM
Disinfectant Toilet Bowl Urinal Cleaner

Disinfectant • *Virucidal • Fungicidal
 For (Industry) (Institutional) (and) (Commercial) Use (Only)

ACTIVE INGREDIENTS:	
Phosphoric acid.....	22.50%
Dodecylbenzene sulfonic acid.....	15.67%
Hydrogen chloride.....	4.50%
INERT (OTHER) INGREDIENTS:	40.2%
TOTAL:	100.0%

KEEP OUT OF REACH OF CHILDREN
DANGER

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration preferably mouth-to-mouth if possible.

IN CASE OF EMERGENCY, CALL A POISON CONTROL CENTER OR DOCTOR FOR TREATMENT ADVICE.

1-800-851-7145

Have the product container or label with you when calling a Poison Control Center or doctor or going in for treatment.

Note to Physician: Probable mucosal damage may contraindicate gastric lavage.

See additional precautionary statements on back (side) (left) (right) (panel) (of) (label) (below).

**(MARKETING CLAIMS:)
(FEATURES, CLAIMS & USES:)**

D'Germ is a disinfectant, bactericidal at 1:128 according to the AOAC Use-Dilution Test method, modified in the presence of 5% organic serum against: *Staphylococcus aureus* (Staph), *Pseudomonas aeruginosa* (*Pseudomonas*), and *Salmonella choleraesuis* (*Salmonella*).

***Official Virucidal Test**

D'Germ is virucidal against Herpes Simplex virus Type 2 (HSV-2) at 1:128 dilution on inanimate environmental surfaces.

D'Germ may be used on most metals (including aluminum and stainless steel) at 1 ounce per gallon of water. Rinse thoroughly. Septic tanks will not be affected.

DIRECTIONS FOR USE:

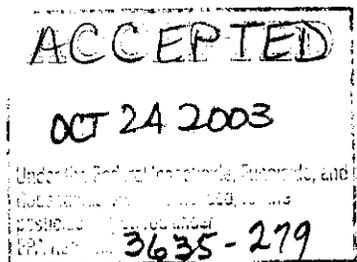

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

For toilets – It is not necessary to remove the water from the bowl. One (1) ounce is sufficient to remove soils, rust, lime, scale and uric acid deposits, and to disinfect and deodorize. Apply with special applicator or flip cap bottle. Open flip cap, invert bottle and with light pressure, direct stream of at least one (1) ounce completely around underneath side of toilet bowl rim. Wet bowl mop with solution and swab all surfaces above and below the waterline including seat and lid. Allow at least 10 minutes contact time for surface to be cleaned and disinfected. Rinse, repeat application for cleaning heavily encrusted deposits.

On Solid Porcelain Urinals – Place bowl mop over drain. Add enough water to make a solution and follow the same procedure as for toilet bowls. D'GERM will not damage solid porcelain china or vitreous ware.

Shower Stalls – Glazed tiles may be cleaned without damage. To clean and disinfect glazed ceramic tiles or other hard, non-porous surfaces, use one ounce in a gallon of water, allow 10 minutes contact time for surface to be cleaned and disinfected, rinse thoroughly.

To disinfect previously cleaned surfaces against *Trichophyton interdigitale* (Athlete's foot fungus), use 1-3/4 ounces in a gallon of water (1:73). Swab surfaces to be disinfected with this solution. Allow to remain in contact for 10 minutes, then rinse thoroughly.

Note to Agency: Text appearing in parenthesis or brackets is done to show optional text.

(For containers larger than one gallon)

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE STORAGE: Do not store near heat, sparks or open flame. Store in original container in areas inaccessible to children. Do not reuse empty container.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide spray mixture or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning or puncture and dispose of in a sanitary landfill or incineration or if allowed by state and local authorities, by burning. If burned, stay out of smoke.

(For containers 1 gallon or less)

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE STORAGE: Do not store near heat, sparks or open flame. Store in original container in areas inaccessible to children. Do not reuse empty container.

CONTAINER DISPOSAL: Securely wrap container in several layer of newspaper and discard in trash.

ENVIRONMENTAL HAZARDS (for containers of 5 gallons or more)

This pesticide is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting agency has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

PRECAUTIONARY STATEMENTS

HAZARD TO HUMANS AND DOMESTIC ANIMALS

DANGER: Corrosive. Causes irreversible eye damage and skin burns. Harmful if swallowed, absorbed through skin or inhaled. Do not get in eyes, on skin or on clothing. Avoid breathing spray mist. Wear chemical splash-proof goggles or face shield, rubber gloves and protective clothing. Wash hands thoroughly with soap and water before eating, drinking, chewing gum, using tobacco or using the toilet and after handling product. Remove contaminated clothing and wash before reuse. Do not apply this product in a way that will contact workers or other persons directly.

PHYSICAL AND CHEMICAL HAZARDS

COMBUSTIBLE. Do not use, pour, spill or store near heat or open flame.

ACIDIC PRODUCT - Do not mix with other cleaners or chemicals as hazardous gases or heat may be generated. Dilute only with water.

PELIGRO

Si no puede leer en ingles, pregunte a su supervisor sobre las instrucciones de uso apropiadas antes de trabajar con este producto.
