

## DIRECTIONS

**BATHROOM** Use a few drops to deodorize toilet bowl, Use 4 Tbsp. to 1 gal. water to clean toilet seat, lavatory, tub and bathroom fixtures.

**GARBAGE PAILS** Use 2 Tbsp. to 1 quart water.

**KITCHEN** Use 4 Tbsp. to 1 gal. water to wash cabinets and sink. A few drops down drain cuts grease, eliminates odors.

**SICK ROOMS** Use 6 Tbsp. to 1 gal. water for washing towels, bedding, bedroom vessels, silverware, dishes, floors and furniture. Sanitizes, disinfects, and eliminates odors immediately.

**LAUNDRY** Texize Pine Oil added to the Laundry reduces the total number of bacteria. Add 1/2 cup to regular detergent to boost cleaning power for stubborn stains, grease spots, work clothes, etc. Rub Texize Pine Oil full strength on stains, then wash as usual.

**DOG BATHS** Use 3 Tbsp. to 1 gal. for dog baths. Removes odors.

**CAUTION:** Harmful if swallowed. If taken internally, do not induce vomiting. Drink milk and call a physician immediately. Do not get in eyes. Contact with the concentrate may cause skin irritation. If in contact, flush thoroughly with plenty of water.

Rinse empty container thoroughly with water before discarding.
