

Nager Woolf 5 x 10-3/8

## CLEANS... DISINFECTS... DEODORIZES IN ONE APPLICATION EASY TO USE.. YET SO EFFECTIVE

Pine Power Disinfectant Cleaner kills dangerous Strep germs and Influenza A2 Virus on environmental surfaces, and many other household germs. Repeat application when necessary. For bathrooms, kitchen, sick room — all through your home.

**BATHROOM**—Use a few drops to deodorize toilet bowl. Use 4 tbsp. per gal. water to clean toilet seat, lavatory, tub and bathroom fixtures.

**KITCHEN**—Use 4 tbsp. per gal. water to wash cabinets and sink. A few drops down drain cuts grease, eliminates odor.

**SICKROOM**—Use 1/4 cup per gal. water for soaking towels and bedding and for washing bedroom vessels, dishes, floors and furniture. Rinse food contact surfaces with potable water before reuse. Sanitizes, disinfects and eliminates odors.

**LAUNDRY**—To boost cleaning power for heavily soiled fabrics such as greasy clothes, add 1/4 cup to front loading washer or 1/2 cup to top loaders along with your regular laundry detergent. Apply full strength to paint or stubborn spots and allow to soak until softened before washing. To remove odor causing bacteria from rinsed diapers, presoak in 1/4 cup per gallon of water.

**DOG BATH**—For a clean, fresh smelling dog, use 3 tbsp. per gal. of water in bath.

**FLOORS**—Use 1/4 cup to 1 gal. water. Apply with sponge mop to remove heel marks and soil. Also removes old wax. Can be used on linoleum, rubber and asphalt tile. Rinse rubber and asphalt tile with clear water immediately.

**WALLS AND WOODWORK**—Use 1/4 cup to 1 gal. water. Easily sponges away pencil marks, crayon, dirt, soot and grease. No rinsing necessary.

**WARNING:** If swallowed do not induce vomiting which may be harmful. Drink promptly a large amount of milk or water and call a physician. May cause eye damage and skin irritation. If contact occurs, wash skin or eyes immediately with water. For eyes, see a physician. Avoid contamination of food. Rinse empty container with water before discarding.

**ACTIVE INGREDIENTS:** Pine oil 19.9%, Isopropyl alcohol 11.0%, Ethyl alcohol 1.8%, Tetrasodium ethylenediamine tetraacetate 0.8%.

**INERT INGREDIENTS:** 66.5% (includes 13.2% anionic cleaning agent in water. No phosphorus.)

EPA Reg. No. 3696-71

EPA Est. 3696-SC-1
