REAR LABEL

PINE POWER Cleans ... Disinfects . . . and Deodorizes" for the cleanest smell a house can have."

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

FOR ROUTINE HOUSEHOLD CLEANING AND DEODORIZING Use 1/4 cup per gallon of water. Cleans washable household surfaces. No rinsing required except on rubber or asphalt tile. Rinse for best shine on no-wax floors. For toilet bowls, pour in bowl and brush thoroughly, including under rim.

FOR HEAVY DUTY CLEANING AND DEODORIZING Use full strength for cutting grease, grime and other tough soils. Rinse after use.

FOR GENERAL DISINFECTING of toilets, sinks, tubs, countertops, garbage pails and other hard, nonporous household surfaces, apply Pine Power with a sponge or cloth full strength after cleaning. Wet surface thoroughly, let stand for ten minutes, then rinse.

TO KILL ODOR CAUSING AND INTESTINAL BACTERIA on hard, non-porous surfaces such as toilets, sinks, tubs, countertops, garbage pails, and kitchen and bathroom floors, use 1/4 cup per gallon of water. After cleaning, apply with a sponge or mop until surface is thoroughly wet. Let stand 10 minutes, then rinse.

TO PREVENT MOLD AND MILDEW GROWTH on hard, nonporous surfaces, apply PINE POWER full strength with sponge or cloth after cleaning. Wet surfaces thoroughly, let stand 10 minutes, then rinse. Reapply as new growth appears.

Store out of the reach of children. Do not reuse empty container. Wrap container and put in trash.

PRECAUTIONARY STATEMENTS

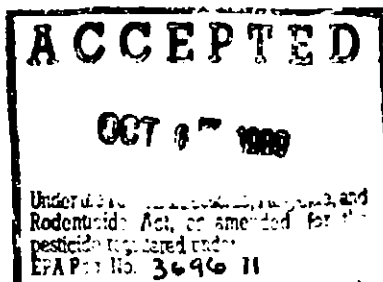

HAZARD TO HUMANS AND DOMESTIC ANIMALS WARNING: Eye irritant. Do not get in eyes. May cause skin irritation. Avoid contact with food.

PHYSICAL OR CHEMICAL HAZARD: Keep away from sparks and open flames.

STATEMENT OF PRACTICAL TREATMENT: If in eyes, immediately flush eyes with plenty of water. If irritation persists, call a physician. If on skin, rinse with water. If swallowed, do not induce vomiting. Promptly drink large amounts of water or milk, call a physician.
