

FOR BATHROOM, KITCHEN, SICK ROOM, ALL THROUGH YOUR HOME

EASY TO USE... YET SO EFFECTIVE  
CLEANS... DISINFECTS... DEODORIZES

Use as directed. For best results, washable surfaces should be pre-cleaned with a household detergent. Apply a liberal amount of Texize to the surface to be cleaned. Rinse thoroughly.

**DIRECTIONS**

**BATHROOM** - Use 1/4 cup per gal. water to wash toilet bowls, first flush valves, bidets, and the toilet and trash or mop bucket. Allow solution to stand 10 minutes before flushing.

**KITCHEN** - Use 1/4 cup per gal. water to wash cabinets and sink. If used in the drain, it will deodorize.

**SICKROOM** - Use 1/4 cup per gal. water for soaking bedpans, commodes, and washable bedroom vessels. For general use. The most adjacent surfaces must be thoroughly scrubbed with household detergent and rinsed. Repeat the procedure as necessary.

**DIAPERS** - Use 1/4 cup per gal. water to soak odor-causing bacteria. Then soak in the soiled diapers, then pre-rinse with 1/4 cup per gal. water before washing.

**FLOORS** - Use 1/4 cup per gal. water. Can be used on linoleum, tile, and asphalt tile.

**WALLS AND WOODWORK** - Use 1/4 cup to 1 gal. water. Easy to remove wax, pencil marks, dirt, spots and stains. Rinse thoroughly.

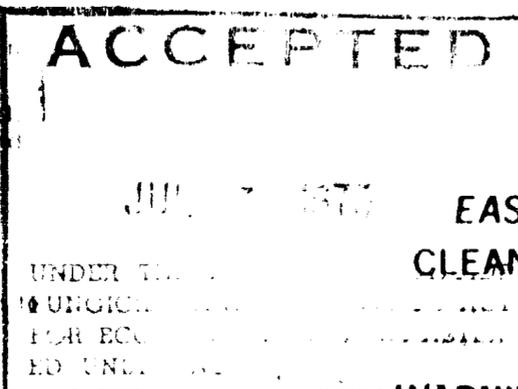

**TEXIZE MONEY BACK GUARANTEE**

If you are not completely satisfied, send comment to Consumer Relations Department.

NET 1 PINT 12 FL. OZS. (28 FL. OZS.)

An excellent cleaner and grease cutter... leaves room smelling fresh. Used as directed, it prevents musty, odor-causing Mold and Mildew growth for up to 7 days, and kills Athlete's Foot Fungi, dangerous Staph and Strep Germs, Influenza Virus A<sub>2</sub> and most other Household Germs on environmental surfaces.

ACTIVE INGREDIENTS: Sodium Hypochlorite 10.6%, Sodium Hydroxide 4.0%, Benzalkonium Chloride 0.1%, Fragrance 0.1%, Propylene Glycol 0.1%, Water 84.9%. See back panel for complete list of ingredients.

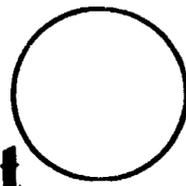

**WARNING: Irritant.** Causes severe eye or skin irritation. May cause eye damage. Do not get in eyes, on skin or on clothing. Protect eyes and wear rubber gloves when handling the concentrated liquid. Harmful if swallowed. Avoid contamination of food.

**FIRST AID IN CASE OF CONTACT:** Immediately flush eyes or skin with plenty of water. For eyes, call a physician. Remove and wash contaminated clothing before reuse. **IF SWALLOWED:** drink promptly a large quantity of milk, egg whites, gelatin solution or if these are not available, water. Avoid alcohol. Call a physician. Rinse empty container thoroughly with water before discarding.
