

CAUTION

FLAMMABLE MIXTURE
DO NOT USE NEAR FIRE OR FLAME
NYFD Permit # X-596418

DIRECTIONS

Remove protective cap. Press button of valve and spray lightly from 1 foot distance all over exposed skin, stockings and other thin clothing. Avoid contact with eyes and lips to avoid smarting. For Ticks and Chiggers additionally apply to socks, pant cuffs and around openings of outer clothing. **TO PROTECT FACE and NECK** spray into palm of hand and then apply to neck and face. Repeat as necessary.
