

**NET CONTENTS  
GALLONS**

Do not use on plants, poultry, or other animals, food, feed and drinking water.

**DANGER: Poisonous** if swallowed, inhaled, or absorbed through the skin. Do not get in eyes or on skin. Do not breathe fumes or spray mist. Spray carefully, avoid work to wind, and to stay out of drift or mist.

Keep all unprotected persons out of the operating area or vicinity where there may be danger of drift. Avoided areas should not be reentered for at least two days. Wash hands, arms, and face with soap and water after handling and before eating or smoking. Wash and launder all work clothing with soap and water before reuse.

Wear a protective suit, gloves, and goggles if you are in any other than a protected area during application. Wear a mask or goggles. A mask of the type recommended by the U. S. Department of Agriculture for protection against DDT (M-10) is suitable for use in protecting the operator.

Keep children and other persons away from treated areas. Do not allow children or other persons to enter treated areas until the spray has dried. Do not allow children or other persons to enter treated areas until the spray has dried. Do not allow children or other persons to enter treated areas until the spray has dried.
