Inert Ingredients .....	91%
	<hr/> 100%

## CAUTION - KEEP OUT OF REACH OF CHILDREN

**DIRECTIONS:** For control of tomato fruit worms and hornworms, Colorado potato beetles, flea beetles, leaf hoppers, stink bugs, late blight and early blight. Use at rate of 20-40 lbs. per acre beginning when disease or insects first appear. Dust weekly with through coverage to underside of leaves. May also be used to control rust and Mexican bean beetles in pole beans at above rates. Do not use within 4 days of harvest on pole beans.

**CAUTION:** May cause irritation of eyes, nose, throat, and skin. May be harmful if inhaled or swallowed. May be absorbed through skin and throat. Do not breath dust or spray mist. Avoid contact with skin, eyes, and clothing. Keep away from fire or sparks. In case of contact, flush with plenty of water; for eyes get medical attention. Toxic to fish. Do not contaminate any body of water by direct application, cleaning of equipment, or disposal of wastes and containers.

**NOTICE:** Follow directions carefully. Timing and method of application, weather and crop condition, mixtures with other chemicals not specifically recommended, and other influencing factors in the use of this product are beyond the control of the seller. Buyer assumes all risks of use, storage, or handling of this material not in strict accordance with directions given herewith.
