CAUTION: KEEP OUT OF REACH OF CHILDREN

DIRECTIONS: For control of scab, quince rust and powdery mildew in apples. Dust thoroughly to give coverage to undersides of leaves. Use 25 lbs. per acre. For use only for 2nd and 3rd pre-bloom spray when weather conditions prevent spraying.

CAUTION: May cause irritation of nose and throat! Do not breathe dust. Avoid contact with skin. In case of contact with skin and eyes, flush with plenty of water; for eyes, get medical attention. Wash with soap and water after handling and before eating or smoking; wear clean clothing. Avoid contamination of feed and foodstuffs. Do not apply or allow to drift to areas occupied by unprotected humans or beneficial animals.

This product is toxic to fish. Keep out of lakes, streams or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes.

NOTICE: Follow directions carefully. Timing and method of application, weather and crop condition, mixture with other chemicals not specifically recommended and other influencing factors in the use of this product are beyond the control of seller. Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.
