

## DIRECTIONS FOR USE

2% CIODRIN<sup>®</sup> Insecticide Animal Spray is a specially prepared ready-to-use insecticide suitable for use in conventional hand, power, or automatic spray equipment.

### DAIRY & BEEF CATTLE FLIES

House Fly, Horn Fly, Stable Fly  
and Face Fly

Apply a light application daily as a fine mist. Spray to thoroughly cover all areas of the animal, including the face. Do not apply in excess of 2 fluid ounces per animal per day. Do not spray or spray to calves under 6 months of age. Brahma cattle should not be treated as they may show hypersensitivity to organic phosphates.
