

DIRECTIO'

Fly Control: For an effective residue on farm buildings, use 2 1/4 gallons 12 1/2 % Lindane in 100 gallons water (equivalent to 1 pint in 6 gallons) and apply to wet all surfaces to point of run-off. Before applying spray, cover feed and water troughs and remove animals from buildings. Do not contaminate milk or milking equipment, feed or drinking water. Repeat treatment as necessary. Do not use in dairy barns and milk rooms. Do not apply in poultry houses.

Ticks and Lice (Beef Cattle): Use 2 1/2 pints 12 1/2 % Lindane per 100 gallons of water. Dip or spray thoroughly wetting animals. Repeat treatment at 7-10 day intervals may be necessary to prevent reinfestation. Do not dip animals within 60 days of slaughter. Do not spray within 30 days of slaughter. Treat calves with three-fourths strength solution, lightly and with caution. Do not treat calves under 8 months of age. Do not apply to dairy animals.

Psoroptic and Sarcoptic Mange Mites and Lice (including eggs) (Hogs): Use 3 1/4 pints 12 1/2 % Lindane in 100 gallons water. Dip or spray. Complete coverage of the animals, including inside of ears, is necessary. In light cases a single treatment may be all that is needed. If condition persists, a second treatment may be necessary in 10 days. Hogs should be kept out of sun and wind a few hours after treatment. Do not spray within 30 days of slaughter, or dip within 60 days of slaughter. Do not treat pigs under 8 months of age.

Do not treat sows within two weeks of farrowing nor for at least three weeks thereafter.

DIRECTIONS

Lice and Ticks (Sheep and Goats): Mix 2½ pints 12½% Lindane in 100 gallons of water. Use as a spray or dip, thoroughly wetting animals. Repeat treatment at 7 to 10 day intervals may be necessary to prevent reinfestation. Do not spray within 30 days of slaughter. Do not dip within 60 days of slaughter. Do not use on dairy goats.

WARNING

May be fatal if swallowed. May be absorbed through skin. Do not breathe spray mist. Avoid contact with skin or eyes. In case of contact, wash immediately with soap and warm water; for eyes, flush with water and get medical attention. Avoid contamination of feed and foodstuffs. Do not use on household pets or humans. Do not treat animals under three months of age. Avoid treating animals in cold, stormy weather. Avoid treating over-heated or sick animals.

ENVIRONMENTAL CAUTIONS

This product is toxic to fish, birds, and other wildlife. Keep out of lakes, streams, or ponds. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on this label.

CONTAINER DISPOSAL

Do not reuse container. Destroy when empty.

NOTICE

Seller's guarantee shall be limited to the terms of the label, and subject thereto the buyer assumes any risk to persons or property arising out of use or handling and accepts the product on these conditions.
