

label copy - continued

ECONOMY LAWN WEED KILLER Contains 2,4-D in Low-Volatile Ester and
Silvex* (2,4,5-TP) - continued

(left side panel)

NOTICE: Seller's guarantee shall be limited to the terms of the label, and subject thereto the buyer assumes all risk to persons or property arising out of use or handling and accepts the product on these conditions.

TO MIX: Place about one-half the required amount of water in the spray tank, add Lawn Weed Killer and stir or agitate thoroughly. Then, add remainder of the water and ~~gg~~ agitate thoroughly. Provide agitation while spraying to prevent separation of the emulsion and to insure uniform mixture in spray tank. If allowed to stand, reagitate to uniform mixture before applying the spray.
