DIRECTIONS FOR USE

ONE OUNCE MEASURING SCOOP ENCLOSED

To protect CORN, SORGHUM, SOYBEAN, WHEAT, OAT, BARLEY or RYE seeds against Wireworms, False Wireworms, Seed Corn Maggots, Southern Corn Rootworms and Kafir Ants during seed germination: Use 4 oz. SEED PROTECTANT per bushel of seed. Mix dry, by dusting on seed and mixing in drill or planter box, or in a mixing box. DO NOT USE TREATED SEED FOR FOOD, FEED, OR OIL PURPOSES.

*Note: Heptachlor Seed Protectant has been mixed with graphite as an aid in increasing the flowability of seeds and lubrication of equipment.

Keep Planter Plates Clean. Grease or oil on plates can cause clogging.

WARNING: MAY BE FATAL IF SWALLOWED. Do not breathe vapor or dust (When the material is applied to seeds dry as a powder, work in a well ventilated room) May cause poisoning by inhalation or skin absorption. Do not get in eyes, on skin or on clothing. In case of contact, wash promptly with soap and water; for eyes, get medical attention. Do not contaminate feed or foodstuffs. Do not use on household pets or humans. Do not use treated seed for feed, food or oil purposes. Not for use or storage in or around the home.

This product is toxic to fish, birds, and other wildlife. Birds feeding on treated areas may be killed. Treated seeds exposed on soil surface may be hazardous to birds and other wildlife. Keep out of any body of water. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on this label.

Dispose of any unused material in such a manner that contact with humans, domestic animals and wildlife will not occur. Do not reuse this container. Destroy by burying with waste or burning. Stay away from smoke or fumes.

NOTICE: Seller's guarantee shall be limited to the terms of the label, and subject thereto the buyer assumes any risk to persons or property arising out of use or handling and accepts the product on these conditions.

Bags containing treated seed should bear a tag or label indicating thereon that the seed has been treated and should not be used for food, feed or oil purposes. Empty bags which contained treated seed should not be re-used for packing feed or food.
