

DIRECTIONS FOR USE

When lotion is applied to the skin it dries quickly to produce a nonoily, invisible, insect-repelling film of Metadelphene.

Shake into hands and rub lightly over exposed skin, stockings, and all other thin clothing. Reapply as necessary. For chiggers, ticks, and fleas, use as above and also apply to socks, pant cuffs, and around other openings in outer clothing. Safe to use on nylon, orlon, cotton and wool materials.

Note: Do not use on acetate rayon and dynel material. May have plasticizing or softening action on certain synthetic fibers and paint and lacquer surfaces.

RIDZ

INSECT REPELLENT LOTION

Contains Metadelphene** for longer protection - resistant to perspiration, water and wear. Not greasy.

REPELS MOSQUITOES, BITING FLIES, GNATS, CHIGGERS, TICKS AND FLEAS
