

ACCEPTED
3770-194
8-2-76
UNDER THE FEDERAL INSECTICIDE
FUNGICIDE AND RODENTICIDE ACT
FOR FERTILIZER FOODS REGISTERED
IN 1974
SUBJECT
IN ATTACHED COMMENTS.

PRECAUTIONARY STATEMENTS

HAZARD TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Harmful if swallowed or absorbed through skin. Avoid breathing dust. Avoid contact with skin, eyes or clothing.

ENVIRONMENTAL HAZARD

This pesticide is toxic to fish. Use with care when applying in areas adjacent to any body of water. Keep out of lakes, streams, or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes.

DIRECTIONS FOR USE

GENERAL CLASSIFICATION

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

DISPOSAL

Do not reuse empty container
Wrap container and put in trash collection.

ROSE ADORN

WEED AND FEED ROSES

7-8-5 Formula Plant Food and Weed Control for Roses

ACTIVE INGREDIENT:

trifluralin* (a,a,a-trifluoro-2,
6-dinitro-N,N-dipropyl-p-toluidine) 0.114%

INERT INGREDIENTS: 99.886%

*TREFLAN®—the registered trademark for Elanco
Products trifluralin

GUARANTEED MINIMUM FERTILIZER ANALYSIS:

Total Nitrogen	7%
Ammoniacal nitrogen	3.5%
Other soluble nitrogen	0.5%
Water insoluble nitrogen	3.0%
Available Phosphoric Acid (P2O5)	8%
Soluble Potash (K2O)	5%
Potential acidity equivalent to 300 pounds of calcium carbonate per ton	

KEEP OUT OF REACH OF CHILDREN

CAUTION

STATEMENT OF PRACTICAL TREATMENT

In case of contact, immediately flush eyes or skin with plenty of water.

See Side Panel For Additional Precautionary Statements

NET WEIGHT 5 LBS.
Weeds as it feeds 125 sq. ft.

EPA Reg. No. 3770-194

EPA Est. 3770-NB-1

Manufactured by:
ECONOMY PRODUCTS COMPANY, INC.
SHENANDOAH, IOWA 51601

This product is for use only on ornamental plants such as roses. Do not use on vegetables or other edible plants.

This two-way product contains TREFLAN (1) feeds roses for vigorous foliage and luxuriant blooms and (2) prevents broadleaf and grassy weeds* from getting started in rose beds for entire season.

Apply in early spring before weed seeds germinate. Repeat at monthly intervals 2-3 times during growing season. For best results, follow these directions carefully:

1. Before applying, remove all existing broadleaf and grassy weeds since this product only kills sprouting seeds, not established weeds.
2. Spread **ROSE ADORN** evenly, beginning four inches from base of roses, covering all soil areas between plants. Avoid missing small areas since weeds will grow in spots not covered. Work product into the soil lightly to give maximum weed control and fertilizer activity.
3. Contents of this package will cover 125 sq. ft. of soil area.

**Crabgrass, goosegrass, barnyard grass, foxtail, annual bluegrass, stinkgrass, carpetweed, chickweed, knotweed, pigweed, lambsquarters, and purslane.

NOTICE: Seller's guarantee shall be limited to the terms of the label, and subject thereto the buyer assumes any risk to persons or property arising out of use or handling and accepts the product on these conditions.

ENVIRONMENTAL HAZARD

This pesticide is toxic to fish. Use with care when applying in areas adjacent to any body of water. Keep out of lakes, streams, or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes.

DIRECTIONS FOR USE

GENERAL CLASSIFICATION

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

DISPOSAL

Do not reuse empty container.
 Wrap container and put in trash collection.

For use with ornamental plants only.

Contains **TREFLAN**, an exclusive compound. One easy application stops unwanted grasses (annual bluegrass, crabgrass, stinkgrass, goosegrass, barnyard grass, foxtail) and kills many broadleaf weeds (chickweed, knotweed, pigweed, lambsquarters, smartweed, carpetweed, purslane) at sprouting. Will not harm established flowers*, shrubs and other plants. Do not apply to Ajuga, Myrtle, Pachysandra, and other ornamental ground covers as injury may result.

WHEN TO USE: **CLEAN** should be applied in the spring around shrubbery and in flower beds containing established plants. Apply before grass and weed seeds begin to sprout.

HOW TO USE: **CLEAN** will control grass and weeds only where applied; therefore, even application (no skips or misses) is most important. The contents of this package (1 lb. 9 oz.) should be spread over no more than 250 square feet. For best results, use as follows:

1. Before applying, remove all existing grasses and weeds as **CLEAN** kills sprouting seeds but not established plants.
2. Apply after flowers or plants have become established (2-3 inches, or more, in height).
3. At application, work **CLEAN** lightly into the soil to improve the weed-prevention action of **TREFLAN**.

*Ageratum, Aster, Balsam, Calendula, California Poppy, Calliopsis, Carnation, Cosmos, Dahlia, Forget-Me-Not, Four O'Clocks, Gaillardia, Gladiolus, Hollyhock, Lobelia, Marigold, Morning Glory, Nasturtium, Periwinkle, Petunia, Portulaca, Shasta Daisy, Snapdragon, Stocks, Sunflower, Sweet Alyssum, Sweet Pea, Zinnia
