CAUTION

KEEP OUT OF REACH OF CHILDREN

Harmful if swallowed. Avoid contamination of feed, food and water. Avoid breathing dust. Avoid skin contact. Wash thoroughly after using.

Note to Physician: Ronnel is a cholinesterase inhibitor. Atropine is an antidote. Treat symptomatically.

Container Disposal: Do not reuse container. Destroy when empty.

DIRECTIONS FOR USE

LICE—Control Hog Lice on all ages of swine — Newborn, too. Apply evenly over the bedding for swine at the rate of ½ lb. per 100 square feet of area. The dust may be applied with scoop or a can. No mixing with the bedding is necessary. One treatment will control the hog lice infestation when the animals use the bedding regularly.
Caution: Do not use this product on animals simultaneously or within a few days before or after treatment with or exposure to cholinesterase inhibiting drugs, pesticides, or chemicals.

— LIVESTOCK REMEDY — NOT FOR HUMAN USE —

NOTICE TO USERS: Seller's guarantee shall be limited to the terms of the label, and subject thereto the buyer assumes any risk to persons or property arising out of use or handling and accepts the product on these conditions.
