herbal herbal herbal freshener

**KILLS MOTHS
RETARDS MILDEW**

NET WT. 9 OZ.

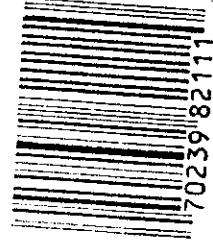

CAUTION: KEEP OUT OF REACH OF CHILDREN -

Active Ingredient: Paradichlorobenzene 99%
Inert Ingredient: Perfume 1%

DIRECTIONS
TO KILL MOTHS—Thoroughly clean or brush articles to be stored. Remove all cellophane from the block and hang block above or in lightly sealed closet, garment bag or storage container. Use one block for each 30 cubic feet of space. If storage container is opened occasionally, hang additional block or blocks and re-seal container.
TO FRESHEN CLOSETS—Use one block in closet after removing all of the cellophane. It is activated from touching fabrics and contains fragrant perfume oils that may stain, just as your own perfume may.

ACCEPTED
JUN 3 1980
Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, for the pesticide registered under 3802-32
EPA Reg. No. 3802-32
