FOR PROTECTION AGAINST TERMITES

Dig a trench around the outside of the building approximately 30 inches deep and a foot wide, but not below the top of the footing if this is shallower. Apply 1 pint Barnett Brand 72% Chlordane to 6 gallons of water at the rate of one gallon per linear foot of trench. For general ground treatment (In crawl spaces and under concrete slabs, etc.) apply the diluted material at the rate of one gallon per square foot.

FOR PREVENTION OF GROWTH OF CRABGRASS

Apply 1 1/2 pints of Barnett Brand 72% Chlordane in 5 to 10 gallons of water per 1000 square feet of lawn or turf to suppress crabgrass seedlings before germination or sprouting occurs. IT IS FOR USE AS AN EARLY SEASON PREVENTIVE TREATMENT and is not effective for the control of crabgrass plants. Timing of application is important before germination which is April 1st to 15th. Consult your local agricultural agent. This treatment will not burn or injure established lawns. Keep children and pets off treated areas until this material has been thoroughly washed into the soil and the grass has completely dried.

BARNETT BRAND

72% Chlordane Emulsifiable Concentrate Insecticide

ACTIVE INGREDIENTS.

Technical Chlordane 72%
Aliphatic Hydrocarbon 16%

FOR CONTROL OF LAWN & TURF INSECTS

Apply 4 fluid ounces of Barnett Brand 72% Chlordane in 5 gallons of water to cover an area of 1000 Square Feet for control of Japanese beetle grubs, white grubs, white fringed beetles, wireworms, ants, boxelder bugs, flea beetles, mole crickets, grasshoppers, cutworms, crickets, spiders, earwigs, sod webworms and many other lawn and soil insects.

HOUSEHOLD APPLICATION

FOR CONTROL OF: Ants, silverfish, crickets, roaches, spiders & boxelder bugs spray baseboards, floors of closets, storage and hiding places, cracks, crevices, and ant trails with 2 tablespoons of Barnett Brand 72% Chlordane to 1 quart of water. Repeat as necessary to maintain control. Don't apply to surfaces that may stain.

CAUTION: Chlordane is toxic and can be absorbed through the skin. Harmful if swallowed. Avoid inhalation and in case of spillage on skin, wash with soap and water. If swallowed drink Emetic of Mustard and call a Physician. Avoid contamination of food and foodstuffs. Keep out of reach of children. Do not use on household pets or humans.

Notice: The manufacturer makes no warranty of any kind on the use of this material. The user assumes all risks for use or handling this product. Do not spray or store near open flame.
