Solu-Pinol is a concentrated disinfectant. Only Pine Oil triple distilled for purity is used in making Solu-Pinol. Solu-Pinol makes an aromatic milky-white emulsion when diluted with water. For use in hotels, motels, schools, public buildings, commercial buildings and industrial plants.

DIRECTIONS FOR USE

Dilute Solu-Pinol one-half pint to three gallons hot or cold water for scrubbing and disinfecting floors, walls, desks, tables, lavatories, sinks, toilets and urinals. Mop, wipe or spray this product to wet surface thoroughly with the recommended use—dilution.

Rinse empty container thoroughly with water and discard it.
