

### DIRECTIONS FOR USE

GENERAL WEED CONTROL: This product can be used to control most weeds for an extended period of time on non-cropland areas such as loading ramps, fence rows, railroad sidings, storage yards, parking lots, around buildings and industrial plant sites.

To control annual weeds and grasses such as foxtail, ryegrass, wildoats, crabgrass, cheatgrass, broomsedge, ragweeds, lambsquarter and turkey mullein, dilute one gallon of this product to 9 gallons of water and apply 5 gallons of the diluted spray, per 1,000 square feet.

For hard to kill perennial weeds and grasses such as Johnson grass, Salt grass, Bouncing Bet, Brackern fern, Horsetail, Smooth Broome, Canada Bluegrass, purpletop, quackgrass, broomsedge, aster dandelion, dog fennel, goldenrod, plaintain and wildcarrot, dilute one gallon of this product to 9 gallons of water and apply 10 gallons of diluted spray per 1,000 square feet.

## CAUTION

Do not apply liquid directly to, or otherwise permit it to come into contact with susceptible plants, such as vegetables, flowers, fruit trees, ornamentals, cotton, grapes, or other desirable plants and do not permit spray mists containing it to drift onto them. (Coarse sprays are less likely to drift.) Vapors from this product may injure susceptible plants in the immediate vicinity. Thoroughly clean spray equipment with a suitable chemical cleaner before using for other purposes (or do not use same spray equipment for other purposes). Do not store near fertilizers, seeds, insecticides, or fungicides. Do not reuse empty container. Wash thoroughly with water and detergent. Discard in a safe place.

Do not apply to areas underlaid by roots of desirable trees and shrubs.

This product is toxic to fish and wildlife. Birds and other wildlife in treated areas may be killed. Keep out of lakes, streams, or ponds. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on this label.

**CAUTION:** Harmful if swallowed or absorbed through skin! Causes skin irritations! Do not breathe vapor or spray mist. Do not get in eyes, on skin, or on clothing. Wash thoroughly after handling. In case of contact, wash skin with soap and water; for eyes, immediately flush with large amounts of water for at least 15 minutes and get medical attention. Remove and wash contaminated clothing before reuse.

Do not use, pour, spill or store near heat or open flame.
