

ACCEPTED  
JUN 3 1981  
EPA Reg. No. 3837-52

Hi-5 is a Heavy Duty Institutional Strength Cleaner formulated to provide maximum cleaning efficiency as it disinfects. It is especially designed for schools, institutions and industry. A single application requires moderate amounts of dirt and grime. Its effects are instantaneous. When used as directed, the handsurface disinfecting action of Hi-5 will reduce the hazard of cross-contamination.

When used as directed, Hi-5 will deodorize floor areas, behind and under sinks and counters, partitions, cans and other areas, and other places where bacteria multiply and cause odors.

**Precautionary Statements**
