(Brand Name)

CONCENTRATED BOWL CLEANER

DIRECTIONS

TO CLEAN, DEODORIZE AND DISINFECT TOILET BOWLS:

- l. Remove Water from bowl with swab mop
- 2. Press water out of mop
- 3. Apply 1 to 2 oz. of bowl cleaner to swab mop
- 4. Clean bowl -- particularly under rim
- 5. Flush toilet immediately and rinse mop

TO CLEAN URINALS:

- 1. Remove strainer
- 2. Saturate mop with bowl cleaner
- 3. Clean all urinal surfaces, including sides and grooves
- 4. Flush urinal several times

CAUTION: Do not use on bath tubs, sinks, or any surface except vitreous toilets and urinals. Use on other surfaces done at user's risk.

Rinse empty container thoroughly with water and discard it.

DANGER: Contains Hydrogen Chloride. Corrosive to skin; may produce chemical burns. May be fatal if swallowed. Do not breathe vapor or fumes. Do not get in eyes, on skin or on clothing.

ANTIDOTE INTERNAL: Drink teaspoonful of magnesia, chalk or small pieces of soap, softened with water in milk or raw egg white. In case of ingestion or injury, call physician immediately.

ANTIDOTE EXTERNAL: Wipe off acid gently; immediately flood surface with water, using soap freely; then cover with moist magnesia or baking soda. If irritation persists, get medical attention.
