TRUST Carpet Sanitizer is a low foaming carpet shampoo formulated for use with extraction and carpet steam cleaning equipment. TRUST contains "twin chain" quaternary ammonium compounds to reduce the growth of gram negative and gram positive odor forming bacteria. TRUST is fortified with odor counteractants to neutralize unpleasant odors. Recommended for use on washable synthetic fibers, but not recommended for use on wool carpets. TRUST removes greasy soil, leaves no residue to promote resoiling and eliminates soil redeposition to vacuum pick-up tanks.

**To Clean, Sanitize and Deodorize Carpets.** Vacuum carpet before cleaning. Mix two (2) ounces of TRUST per gallon of water. Inject and extract as you would the other steam cleaning shampoos. For rotary floor machine, mix four (4) ounces of TRUST per gallon, spray on carpet at rate of 200-300 sq. ft. per gallon.

**Note:** Test color fastness of carpet before use. Apply diluted cleaner to a small concealed spot, then rub with clean white cloth. If color transfers to cloth or changes, a water base product should not be used.

After cleaning, set carpet pile in one direction with a stiff brush. Place aluminum foil under legs of furniture while carpet is drying. Over-wetting can cause shrinking of carpet. Manufacturer assumes no responsibility for over-wetting or misuse.
