

### SPACE SPRAY NO. 3

A concentrated space spray effective in the control of small flying insects, flies, mosquitoes, gnats and flying moths. Contains an unusually high percentage of pyrethrins.

Will not contaminate food when used according to directions. May be used in kitchens, bakeries, restaurants, packing plants and similar areas.

#### CAUTION

Harmful if swallowed. Do not use near an open fire. All food processing surfaces should be covered during treatment or thoroughly cleaned before using. When using as a space spray in these areas, apply only when plant is not in operation.

## SPACE SPRAY NO. 3
