OFFICE OF
PREVENTION, PESTICIDES
AND TOXIC SUBSTANCES

August 19, 2003

Mr. Michael Rekhelman
Vice President Technical Services
ABC Compounding
P.O. Box 16247
Atlanta, GA 30321

Subject: **Pine Oil Disinfectant**
EPA Registration No. 3862-10
Your Application Dated May 27, 2003

Dear Mr. Rekhelman:

The following amendments, submitted in connection with registration under section 3(c)(7)(A) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, are acceptable.

Proposed Amendments:

- Response to PR Notice 2001-1
- Revised Confidential Statement of Formula to include alternate suppliers

General Comments:

1. Revise the statement concerning federal law to read: "It is a violation of Federal Law to use this product in manner inconsistent with its labeling."
2. Remove the statement "Harmful if swallowed" and place it after the statement "causes eye damage and skin irritation" in the precautionary statement.
3. Add the statement, "This pesticide is toxic to fish" at the beginning of the environmental hazard statement.
4. Add the word, "Pesticide, i.e., Pesticide Storage" to the storage instructions in the Storage and Disposal Statement.

A stamped copy of the accepted labeling is enclosed. Submit three (3) copies of your final printed labeling before distributing or selling the product.

Should you have any questions or comments concerning this letter, please contact me at (703) 308-6422 or Renae Whitaker at (703) 308-7003.

Sincerely,

Adam Heyward
Product Manager (34)
Regulatory Management Branch II
Antimicrobials Division (7510C)

DIRECTIONS FOR USE

Federal law prohibits the use of this product in a manner inconsistent with its labeling. A one step disinfectant cleaner and deodorizer formulated for commercial and light industrial cleaning. Use on walls, floors and inanimate surfaces. Effective against *Salmonella choleraesuis* and *Salmonella typhi* when diluted one part to 100 parts water. For best results use 4 ounces of disinfectant per 3 gallons of water. Pour the disinfectant into a bucket then add water and apply with a mop, sponge, or cloth. A fresh solution should be prepared daily or when the use solution becomes visibly dirty. For heavy soil, a pre-cleaning step is required. Thoroughly wet the heavy soiled area with undiluted disinfectant and allow to remain wet for 10 minutes.

PRECAUTIONARY STATEMENTS
Hazardous to Humans and Domestic Animals

DANGER

Corrosive, causes eye damage and skin irritation. Do not get in eyes, on skin or clothing. Wear goggles or face shield and rubber gloves when handling. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse. Harmful if swallowed.

PHYSICAL AND CHEMICAL HAZARDS:

KEEP AWAY FROM HEAT, SPARKS AND OPEN FLAMES.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal. Open dumping is prohibited.

STORAGE: If container is damaged, stop any leaks by repositioning the container or by patching or otherwise repairing the leaks. Take care to avoid contact with pesticide and wear protective gear. On cleanup of spilled liquids, wear protective equipment as required to prevent exposure. Clean up spilled areas with generous amounts of absorbent material, such as clay, diatomaceous earth, sand or sawdust. Sweep the contaminated absorbent on to a shovel and put the sweepings into a salvage drum. Dispose of the wastes as below. Place any leaking container into a similar drum or glass as below. Mark the container with name of product, ingredient statement, precautionary statements and signal word. **PESTICIDE DISPOSAL:** Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray or mixture of rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance. **CONTAINER DISPOSAL: METAL CONTAINERS:** Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill or by other procedures approved by state and local authorities. **PLASTIC CONTAINERS:** Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

FOR INDUSTRIAL USE ONLY

Seller warrants that this product corresponds to all claims and descriptions on the label thereof and is reasonably fit for use for any purpose stated on such label only when used in accordance with directions under normal use conditions. Seller makes no warranties of merchantability or fitness for a particular purpose nor any other express or implied warranty except as stated above.

FIRST AID:

If in eyes	<ul style="list-style-type: none"> Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.
If on skin or clothing	<ul style="list-style-type: none"> Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
If inhaled	<ul style="list-style-type: none"> Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for treatment advice.
If swallowed	<ul style="list-style-type: none"> Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

Have the product container or label with you when calling a poison control center or doctor or going for treatment.

NOTE TO PHYSICIAN- Probable mucosal damage may contraindicate the use of gastric lavage. Have the product container or label with you when calling a Poison Control Center or doctor or going in for treatment.

ENVIRONMENTAL STATEMENTS Do not discharge effluent containing

this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.
