 PO Box 16247
 Atlanta, GA 30321

Subject: Germ-I-San
 EPA Registration No. 3862-18
 Application Date: May 27, 2003
 Receipt Date: June 6, 2003

Dear Mr. Rekhelman:

The following amendments, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, are acceptable with the conditions listed below:

- Revision to First Aid Statement in accordance with PR Notice 2001-1

Conditions

1. The Directions for Use Statement for Dairy Plants must include the method of application (e.g. "by sponge, mop, or spray") followed by a statement such as "to wet all surfaces thoroughly." You must also include the contact time necessary for effectiveness.

General Comments

A stamped copy of the labeling accepted with conditions is enclosed. Submit one (1) copy of your final printed label before distributing or selling the product bearing the revised labeling.

Should you have any questions or comments concerning this letter, please contact me at 703-308-6264.

Sincerely,

Robert S. Brennis
 Product Manager 32
 Regulatory Management Branch II
 Antimicrobials Division (7510C)

Precautionary Statements
Hazards to Humans and Domestic Animals

DANGER: CORROSIVE

Corrosive. Causes irreversible eye damage or skin burns. Harmful if swallowed or absorbed through skin or inhaled. Do not get in eyes, on skin or on clothing. Avoid breathing spray mist. Wear goggles, or face shield. Wear protective clothing (coveralls worn over long-sleeved shirt and long pants, socks and chemical-resistant footwear) and rubber gloves (nitrile, butyl, neoprene and / or barrier laminate). Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

FIRST AID:	
If in eyes	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for treatment advice.
If on skin or clothing	<ul style="list-style-type: none"> • Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15-20 minutes. • Call a poison control center or doctor for treatment advice.
If swallowed	<ul style="list-style-type: none"> • Call a Poison Control Center or doctor immediately for treatment advice. • Have person sip a glass of water if able to swallow. • Do not induce vomiting unless told to do so by the poison control center or doctor. • Do not give anything by mouth to an unconscious person.
Unconscious	<ul style="list-style-type: none"> • Move person to fresh air. • If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. • Call a poison control center or doctor for further treatment advice.
Have the product container or label with you when calling a poison control center or doctor, or going for treatment.	
NOTE TO PHYSICIAN - Probable mucosal damage may contraindicate the use of gastric lavage.	

ENVIRONMENTAL HAZARDS Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Board or Regional Office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Does not leave any visible film on dishes or glassware. For glassware, dishes, etc. add 1 ounce of this product to 5 gallons of water in sink number one. Rinse in sink number two in clear water. Then sanitize in sink number three using 1 ounce of this product in 5 gallons of water. This will provide 25 ppm of titratable iodine. Dishes and glassware should air dry. **UNLIKE MOST OTHER CLEANER-SANITIZERS, THIS PRODUCT PROVIDES ITS OWN INDICATOR OF GERMICIDAL ACTIVITY.** While the brown or amber tint of iodine remains, the solution is active. When the color the solution must be replaced. Public Health codes require a two-minute immersion in the sanitizing solution. Even though this product acts very rapidly Public Health regulations should be followed. this product can be used satisfactorily in 2 or 3 sink systems. Local regulations should be followed. For cleaning areas where food is prepared, scrub with a solution of 6 ounces of this product in 2 1/2 gallons of water.

DIRECTIONS FOR USE (continued)

DAIRY PLANTS: Flush remaining milk from all equipment and all surfaces with lukewarm water, after processing milk. Clean and sanitize with a solution of 1 ounce concentrate to 5 gallons of water. **MILKING MACHINE AND UTENSILS:** Flush remaining milk from all equipment with lukewarm water after each milking. Take equipment apart and immerse all parts, except pulsator, in solution of 1 ounce concentrate to each 5 gallons of water and brush thoroughly. Use the same method to clean and sanitize strainers, wash pails, etc., in the same solution. Rinse with warm water, reassemble and rack in clean, dust-proof place. Before using equipment previously cleaned as above, sanitize with a solution of 1 ounce concentrate to each five gallons of water.

STORAGE AND DISPOSAL

This product must be kept under locked storage sufficient to make inaccessible to children or persons unfamiliar with its proper use.

PROHIBITIONS: Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited. Do not reuse empty container.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

GENERAL: Consult federal, state or local disposal authorities for approved alternative procedures such as limited open burning.

FOR INDUSTRIAL USE ONLY
