## EPA REG NO 3862 -55-EPA EST NO. 3862-GA-1

# PINE-O-DIS 1

#### USE DIRECTIONS

Use at 2 ounces per gellon. This product will provide 500 ppm quaternery to the use solution. This is enough for general disinfection, fungicidal activity against pathogenic fungi and deodorizing.

For best results, use PINE-O-DIS 19-30 with a cloth or mop and apply to walls, floors, table tops, counters and garbage pails.

For use in hospitals, 3 ounces per gallon will be required for disinfection against Pseudomonas aeruginosa.

For heavy soil, a pre-cleaning step is recommended before using PINE-C-C/8 19-30

#### Senitization

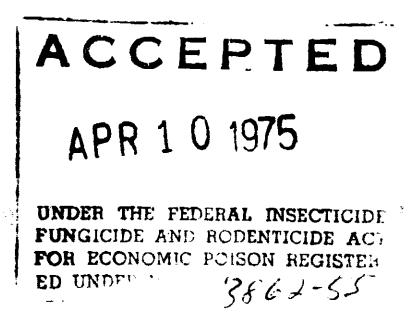

When used for senitization of previously cleaned food processing or food contect items, limit the level of active guaternaries to 200 ppm (4 ounces per Significants of water) and submerse article in sanitizing solution or apply senitizing solution with cloth or sponge. After using this compound, senitized food surfaces must be thoroughly rinsed with potable water.

#### **PHENOL COEFFICIENTS:**

Guaranteed	Minimum
S. aureus	30
S. typhose	19

Rinee empty container thoroughly with water and discard.

PINE-O-DIS 19-30 is a cleaner, disinfectant, and sanitizer designed for general household and light industrial cleaning. For use on walls, floors and any inanimete hard surfaces. When used as directed,
