

PM 31 REG # 3862-55

ACCEPTED
MAY 05 1989
Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, for the pesticide registered under EPA Reg. No. 3862-55

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

PINE ODOR DISINFECTANT is a cleaner and disinfectant designed for general industrial cleaning. For use on walls, floors and any non-metal hard surfaces. When used as directed, PINE ODOR DISINFECTANT will also deodorize those areas which generally are hard to keep fresh smelling, such as garbage pits, sink tops, and bathroom areas which are prone to odors caused by the growth of some micro-organisms. Effective against Staphylococcus aureus and Salmonella choleraesuis at 2 ounces per gallon. Also effective against pathogenic fungi Trichophyton interdigitale at this use dilution.

At 3 ounces per gallon a hospital disinfecting claim against Pseudomonas aeruginosa can be made.

Use at 2 ounces per gallon. This product will provide 500 ppm quaternary to the use solution. This is enough for general disinfection. Fungicidal activity against pathogenic fungi and deodorizing.

For best results, use PINE ODOR DISINFECTANT with a cloth or mop and apply to walls, floors, table tops, counters and garbage pits.

For use in hospitals, 3 ounces per gallon will be required for disinfection against Pseudomonas aeruginosa.

For heavy soil, a pre-cleaning step is required before using PINE ODOR DISINFECTANT. Thoroughly wet all surfaces. Treated surfaces must remain wet for 10 minutes. Fresh solution should be prepared daily or when the use solution becomes visibly dirty.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals:

Keep Out of Reach of Children. Corrosive. Causes eye damage and skin irritation. Do not get in eyes, on skin or on clothing. Wear goggles or face shield and rubber gloves when handling. Harmful if swallowed.

NOTE TO PHYSICIAN

Probable mucosal damage may contraindicate the use of gastric lavage. Aseptic sepsis, circulatory shock, respiratory depression, and convulsion may be needed.

STATEMENT OF PRACTICAL TREATMENT

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash all contaminated clothing before use. If swallowed, drink milk, egg whites, gelatin solution, or if these are not available, drink large quantities of water. Call a physician.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal. Open dumping is prohibited.

STORAGE: If container is damaged, stop any leaks by repositioning the container or by patching or otherwise repairing the leaks. Take care to avoid contact with pesticide and wear protective gear. On cleanup of spilled liquids, wear protective equipment as required to prevent exposure. Clean up spilled areas with generous amounts of absorbent material, such as clay, diatomaceous earth, sand or sawdust. Sweep the contaminated absorbent on to a shovel and put the sweepings into a salvage drum. Dispose of the wastes as below. Place any leaking container into a similar drum or glass as below. Mark the container with name of product, ingredient statement, precautionary statements and signal word.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of empty pesticide, spray or mixture of residue is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: METAL CONTAINERS: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities. **PLASTIC CONTAINERS:** Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.
