PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION

Instruct older children in the proper use of this product. Do not spray on face, lips, or into eyes. In case of contact with eyes, flush with water.

PHYSICAL OR CHEMICAL HAZARDS

FLAMMABLE. Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130 F may cause bursting.

DIRECTIONS FOR USE

Read all directions before using this product. It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Skin application for mosquitoes, biting flies, gnats, and fleas. Hold unit 4 to 6 inches from the skin of arms or legs while applying with a slow sweeping motion until surface is slightly moistened. Rub with hand to insure even distribution. To apply to face and neck, spray in palm of hand in short bursts and spread on the skin. Do not apply over cuts, wounds, or irritated skin. Do not apply to eyes and mouth and do not apply to the hands of young children. **DO NOT SPRAY DIRECTLY ON FACE.** Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. Avoid overexposure. Frequent reapplication and cessation is unnecessary for effectiveness. After returning indoors, wash treated skin with soap and water. Wash treated clothing. Use of this product may cause skin reactions in rare cases. If you suspect that you or your child is reacting to this product, wash treated skin and call your local poison control center. If you go to a doctor, take this repellent with you. For protection against mosquitoes and biting flies, pay special attention to where biting through clothes occurs - shoulders, elbows, seat of trousers, front of trousers, front of thighs, knees, and necks. For protection against chiggers (mites), fleas, and ticks, pay special attention to the waist, shoe tops, and fly, trouser leg cuffs, trouser fly, and waistband, and the front fly and cuff fly of the shirt. Avoid contact with plastics, such as cypress tarps, and such fabrics as acetate rayon. Do not spray in enclosed area.

STORAGE AND DISPOSAL

STORAGE: Store in a cool dry area away from heat or open flame. **DISPOSAL:** Securely wrap original container in several layers of newspaper and discard in trash.
