ABC Compounding Co., Inc.
PO Box 16247
Atlanta, GA 30321

Subject: Label and CSF Amendment – Revising the CSF and label to reflect the change in the nominal concentration of one of the active ingredients, and additional label revisions.
Product Name: WB Total Release Fogger
EPA Registration Number: 3862-125
Application Date: March 1, 2016
Decision Number: 515871; 515869

Dear Mr. Rekhelman:

The amended label and CSF referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, are acceptable. This approval does not affect any conditions that were previously imposed on this registration. You continue to be subject to existing conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Please note that the record for this product currently contains the following CSF:

- Basic CSF dated 03/02/2016

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the

website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6. If you have any questions, please contact Jennifer Gaines at 703-305-5967 or via email at gaines.jennifer@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "L. N. Bacon". The signature is fluid and cursive, with a large initial "L" and a distinct "N" and "B".

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION. Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes, or clothing. Harmful if inhaled. Avoid breathing spray mist. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

PHYSICAL OR CHEMICAL HAZARDS

Highly Flammable Ingredient

Ingrediente Altamente Inflamable

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. This product contains a highly flammable ingredient. It may cause a fire or explosion if not used properly. Follow the Directions for Use on this label very carefully.

PERSONAL PROTECTIVE EQUIPMENT (PPE)

Applicators must wear: Long-sleeved shirt and long pants, Shoes plus socks, Chemical-resistant gloves made of barrier laminate, nitrile rubber, neoprene rubber or viton. Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables exist, use detergent and hot water. Keep and wash PPE separately from other laundry. Discard clothing and other absorbent materials that have been drenched or heavily contaminated with this product's concentrate. Do not reuse them.

USER SAFETY RECOMMENDATIONS:

Users should wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet. User should remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

User should remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

READ ENTIRE LABEL BEFORE EACH USE.

SHAKE WELL BEFORE USE. KEEP CONTAINER UPRIGHT.

USE RESTRICTIONS:

For use only when building has been vacated by human beings and pets. Remove pets, birds, and cover fish aquariums before spraying. Do not use in greenhouses where plants are grown for food. Do not use in aircraft cabins. Do not allow adults, children, or pets to enter the treated area, until vapors, mists, and aerosols have dispersed, and the treated area has been thoroughly ventilated. Do not contaminate food or feedstuffs. Do not apply this product in a way that will contact workers or other persons, either directly or through drift.

Wait four (4) hours after application, then open windows, vents and doors for one (1) hour. If an odor is still detectable, additional ventilation is required.

Do not apply directly to food. Do not use in food/feed areas of food/feed handling establishments, restaurants, or other areas where food/feed is commercially prepared or processed. Do not use in serving areas while food is exposed or facility is in operation. Serving areas include areas where prepared foods are served such as dining rooms, but exclude areas where foods may be prepared or held. Non-food areas are areas such as garbage rooms, lavatories, floor drains (to sewers), entries and vestibules, offices, locker rooms, machine rooms, boiler rooms, garages, mop closets and storage (after canning or bottling). In the home, do not apply when food is present. Cover or remove exposed food. Cover all food preparation surfaces and utensils during treatment or thoroughly wash before use.

Application is prohibited directly into sewers or drains, or to any area like a gutter where drainage to sewers, storm drains, water bodies, or aquatic habitat can occur. Do not allow product to enter any drain during or after application.

Remove poultry before treating poultry houses.

When used in dairy barns or facilities: Close milk bulk tank lids to prevent contamination from spray and from dead or falling insects. Remove or cover milking utensils before application. Wash teats of animals before milking.

To Use This Product Correctly:

DO NOT use more than one fogger per room. DO NOT use in small, enclosed spaces such as closets or cabinets or under counters or tables. **Use of a fogger in an enclosed space may cause the product to explode, resulting in injury to people or damage to property.** Do not use in a room 5 ft. X 5 ft. or smaller; instead, allow fog to enter from other rooms. **Turn off ALL ignition sources such as pilot lights (shut off gas valves), other open flames, or running electrical appliances that cycle off and on (i.e., refrigerators, thermostats, etc.).** Call your gas utility or management company if you need assistance with your pilot lights.

EPA PRE-APPROVED PICTOGRAM 1 representing "Do Not Use Multiple Canisters in a room"

EPA PRE-APPROVED PICTOGRAM 2 representing "Do Not Use in Small Confined Spaces"

EPA PRE-APPROVED PICTOGRAM 3 representing "Unplug and Turn off ignition sources"

EPA PRE-APPROVED PICTOGRAM 4 representing "No Flames or pilot lights"

Use only one canister of fogger to treat a room up to 27 ft. x 27 ft. with an 8 ft. ceiling or 6,000 cubic feet of unobstructed space.

Before you Fog:

Remove or cover exposed food and drinking water before application. Remove or cover dishes, utensils, food processing equipment and food preparation surfaces, or wash them before use.

EPA PRE-APPROVED PICTOGRAM 5 representing "Remove or Cover Exposed Food"

[Remove or cover exposed food]

Close outside doors and windows. Shut off fans, air conditioners, and ventilation equipment. Put out all flames, pilot lights and other ignition sources. Call your gas utility or management company if you need assistance. Remove pets and birds, cover and turn off fish aquariums before activating fogger.

Place a chair, small table or stand in the center of the room to be treated and cover with newspaper.

Cover wood floors and wood furniture in the immediate area around fogger with newspapers or a drop cloth. Open cabinets, cupboards, drawers, closets and doors in areas to be treated.

To Start Fogging: Immediately before activating fogger complete the door hang tag by filling in the time and date to instruct people not to enter the premises for at least four (4) hours from the activation time. Hang the tag on the door to the entrance. Point fogger away from face and eyes when releasing (container sprays straight up). To lock valve in open position for automatic discharge, press valve button down firmly, until it snaps into place. Then place the fogger on the stand or table in the center of the room.

Vacate the treated house, individual apartment unit or other structure immediately. Keep treated area closed for four (4) hours. Do not remain in the area during treatment.

Do not Re-enter for 4 hours

Clock face pictogram representing 4 hours time interval

Airing Out: Wait four (4) hours after application, then open windows, vents and doors for one (1) hour. If an odor is still detectable, additional ventilation is required

EPA PRE-APPROVED PICTOGRAM 6 Representing "Air out the Room Before Entering"

To Kill Fleas and Ticks: Destroy pet's old bedding and replace with fresh bedding. Use product as directed above. Treat dogs and cats with registered tick control product prior to re-entry.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

Pesticide Storage Store in a cool, dry area away from heat or open flame. Always store pesticides in the original container. Store away from food and pet food.

Pesticide Disposal and Container Handling

Do Not Puncture or Incinerate!

Nonrefillable container. Do not reuse or refill this container

If empty: Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency for disposal instructions.

[DOOR HANG TAG LANGUAGE]

Fill out and place hang-tag on the door to the treated area to alert family and others with access to the treated area not to reenter for 4 hours

DO NOT ENTER UNTIL: _____ ON THIS DATE: _____
