

**U.S. ENVIRONMENTAL PROTECTION AGENCY**  
**Office of Pesticide Programs**  
**Registration Division (7505P)**  
**Ariel Rios Building**  
**1200 Pennsylvania Ave., NW**  
**Washington, D.C. 20460**

EPA Reg. Number:

3862-135

Date of Issuance:

AUG - 7 2008

**NOTICE OF PESTICIDE:**

Registration  
 Reregistration  
 (under FIFRA, as amended)

Term of Issuance:

Unconditional

Name of Pesticide Product:

Drop Dead

Name and Address of Registrant (include ZIP Code):

ABC Compounding Co., Inc.  
 PO Box 16247  
 Atlanta, GA 30321

**Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.**

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

Based on your response to the Reregistration Eligibility Decision, EPA has reregistered the product listed above. This action is taken under the authority of section 4(g)(2)(C) of the Federal Insecticide, Fungicide, and Rodenticide Act, as amended. Reregistration under this section does not eliminate the need for continual reassessment of pesticides. EPA may require submission of data at any time to maintain the registration of your product.

Generic data requirements that have been identified in the RED as confirmatory data for the active ingredient contained in the subject product will continue to be tracked and assessed in the Agency's continual reassessment of pesticides.

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, is acceptable.

You must submit one (1) copy of the final printed label before you release the product for shipment.

**See page 2 for existing stocks provisions.**

A stamped copy of the label is enclosed for your records. Should you have any questions, please contact Julie Chao at 703-308-8735 or [chao.julie@epa.gov](mailto:chao.julie@epa.gov).

Signature of Approving Official:

Meredith F. Laws, Chief  
 Insecticide-Rodenticide Branch  
 Registration Division (7505P)

Date:

AUG - 7 2008

**Use of Existing Stocks of Labels:**

- If you formulate your end-use product with technical product purchased prior to January 31, 2009 that IS NOT labeled with the prohibition on indoor residential spray use, then you may label your product with existing stocks for up to 12 months after the date of this reregistration notice.
- If you formulate your end-use product with technical product purchased prior to January 31, 2009 that IS labeled with the prohibition on indoor residential spray use, then you may not use existing stocks of labels that allow for indoor residential use. You must use the new, stamped label that is enclosed with this reregistration notice.
- If you formulate your end-use product with technical product purchased after January 31, 2009, then you may not use existing stocks of labels that allow for indoor residential use. You must use the new, stamped label that is enclosed with this reregistration notice.

FIRST AID:	
<b>If swallowed</b>	<ul style="list-style-type: none"> <li>• Call a Poison Control Center or doctor immediately for treatment advice.</li> <li>• Do not give any liquid to the person.</li> <li>• Do not induce vomiting unless told to do so by the poison control center or doctor.</li> <li>• Do not give anything by mouth to an unconscious person.</li> </ul>
<b>If on skin or clothing</b>	<ul style="list-style-type: none"> <li>• Take off contaminated clothing.</li> <li>• Rinse skin immediately with plenty of water for 15-20 minutes.</li> <li>• Call a poison control center or doctor for treatment advice.</li> </ul>
<b>If in eyes</b>	<ul style="list-style-type: none"> <li>• Hold eye open and rinse slowly and gently with water for 15-20 minutes.</li> <li>• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.</li> <li>• Call a poison control center or doctor for treatment advice.</li> </ul>
<b>If inhaled</b>	<ul style="list-style-type: none"> <li>• Move person to fresh air.</li> <li>• If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.</li> <li>• Call a poison control center or doctor for further treatment advice.</li> </ul>
Have the product container or label with you when calling a poison control center or doctor, or going for treatment.	
<b>NOTE TO PHYSICIAN-</b> Contains petroleum distillate - vomiting may cause aspiration pneumonia. Contains an N-methyl carbamate that inhibits cholinesterase.	

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**READ ENTIRE LABEL BEFORE EACH USE.**

**THIS PRODUCT MUST BE APPLIED USING A COMPRESSED AIR SPRAYER. DO NOT APPLY USING A TRIGGER PUMP SPRAYER.**

**INDOOR USE PRECAUTIONS:** For crack and crevice or spot treatment only. Use only in the areas described. Do not use this product as a fogger or apply it in the air. Do not allow people (especially children) and animals to lie, sleep or remain in treated areas during or immediately following treatment and do not allow access until after treated area is dry. Avoid excess application. Dampen surface, but not to the point of saturation or soaking. Upon reentry, immediately open windows and leave area. Keep windows open for at least 2 hours before humans and animals are allowed to remain in the treated area. Do not treat animals or plants with this product. Do not apply directly to carpets or floor coverings and avoid excessive wetting on asphalt tile, rubber and plastic materials because damage may occur. Care should be taken to avoid spotting of walls, wall coverings, and fabrics. Do not apply directly to upholstery or furniture. Do not apply to areas, surfaces, or utensils which will contact food or feed. Cover all food processing surfaces and utensils during application and wash with soap and water before use. Do not use in dining/serving area of restaurants. Do not use in conduits, motor housings, or electrical switch boxes due to the possibility of shock hazard.

**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS AND DOMESTIC ANIMALS  
CAUTION**

Harmful if swallowed, inhaled, or absorbed through skin. Avoid contact with skin, eyes, or clothing. Avoid breathing vapor or spray mist. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse. Avoid contamination of food or feed. Do not use on household pets or humans. Remove pets from area, and cover fish bowls before spraying.

**ENVIRONMENTAL HAZARDS**

This pesticide is highly toxic to birds, fish, and other wildlife. Do not apply directly to water, to areas where surface water is present, or to intertidal areas below the median high water mark. Do not contaminate water by cleaning of equipment or by disposal of equipment washwaters. **PHYSICAL HAZARDS** Do not use, or store near heat or open flame.

**DIRECTIONS FOR USE (CONTINUED)**

**FOR SPOT TREATMENT:**

Application in food handling establishments is limited to crack and crevice treatment only. Food handling establishments are places other than private residences in which food is held, processed, prepared or served. Includes areas for receiving, storage, packaging, preparation, edible waste storage and enclosed processing systems.

**ANTS (EXCLUDING FIRE, HARVESTER AND PHAROAH ANTS), COCKROACHES, CRICKETS, SILVERFISH, SPIDERS, FIREBRATS, MILLIPEDES, PILLBUGS, AND SOWBUGS:** Spray into cracks, crevices around baseboards, and other places where these insects hide. Apply behind and beneath cabinets and in and around waste containers.

Repeat treatment when pests appear, but not more frequently than 6 to 8 weeks.

**For Cracks and Crevices:** - Apply undiluted spray in small amounts directly into cracks and crevices. Equipment capable of delivering a pin stream should be used in points between elements of construction, between equipment and floors, openings leading to voids and hollow spaces in walls, equipment legs and bases where the above listed insects hide. Do not allow product to be deposited onto exposed surfaces or introduced into the air.

**Fleas and Ticks:** For use in kennels. Spray around animal resting areas, cracks and crevices in flooring and wall/baseboard areas, window and door frames, and other areas where pests are seen. Remove and launder or replace animal bedding. Do not treat animals with this product. Use a product labeled for use on animals, and treat outdoor areas used by the animal for complete control.

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited.

**STORAGE:** If container is damaged: stop any leaks by repositioning the container or by patching or otherwise repairing the leaks. Take care to avoid contact with pesticide and wear protective gear. On cleanup of spilled liquids, wear protective equipment as required to prevent exposure. Clean up spilled areas with generous amounts of absorbent material, such as clay, diatomaceous earth, sand or sawdust. Sweep the contaminated absorbent on to a shovel and put the sweepings into a salvage drum. Dispose of the wastes as below. Place any leaking container into a similar drum or glass as below. Mark the container with name of product, ingredient statement, precautionary statements, and signal word. Do not store, use, pour or spill near heat or flame.

**PESTICIDE DISPOSAL:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**CONTAINER DISPOSAL** - Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available.
