

08 MAY 1992

Mr. Ralph Warner
Pete Rickard Incorporated
R.D. #1
Cobleskill, NY 12043

Dear Mr. Warner:

Subject: Response to PR Notice 91-4
"Ole Time" Woodsman Jungle Formula
EPA Reg. No. 3870-5
"Ole Time" Woodsman Jungle Formula (pressurized)
EPA Reg. No. 3870-6
"Ole Time" Woodsman Jungle Plus
EPA Reg. No. 3870-7
Submission: April 27, 1992

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below. One copy of the finished labeling must be submitted prior to releasing the product for shipment.

- 1) For EPA Reg. No. 3870-5, remove the term "Denatured Ethanol" from the ingredient statement and show inert ingredients as 25%.
- 2) Put the PR Notice language for all products under the Directions for Use heading.

Although we still encourage inclusion, we have determined that it is acceptable to exclude the statement from your label, "If you go to a doctor, take this repellant with you". You do not need to submit an amendment to remove this from your label.

We are somewhat doubtful that you will be able to include all of the accepted language onto the back panel of the smaller containers. If you intend on placing some of this language on a blister card, then you must amend your label to indicate this

page 2

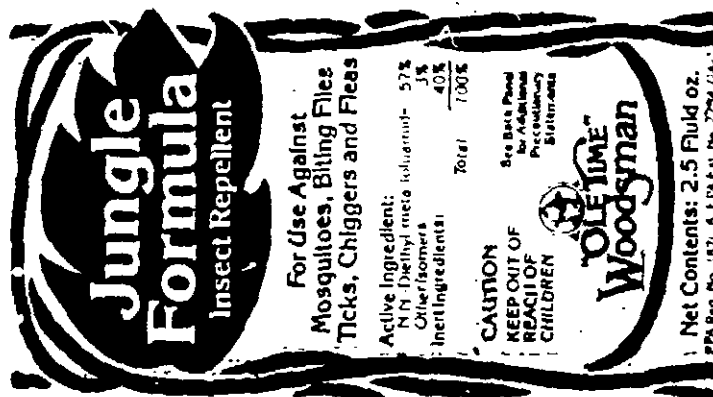

change. If you amend your labels in this way, we encourage you to include the most critical warning statements on the label itself.

Sincerely,

Richard F. Mountfort
Product Manager 10
Insecticide & Rodenticide Branch
Registration Division (H7505C)

Proposed New Labeling for
Jungle Formula Pressurized

ACCEPTED
with COMMENTS
in EPA Letter Dated

08 MAY 1992

Under the Federal Insecticide,
Fungicide, and Rodenticide Act
as amended, for the pesticide
registered under EPA Reg. No.

3870-6

READ ALL DIRECTIONS BEFORE USING THIS PRODUCT.

DO NOT SPRAY IN ENCLOSED AREAS.

DO NOT APPLY OVER CUTS, WOUNDS, OR IRRITATED SKIN.

DO NOT APPLY TO EYES AND MOUTH AND DO NOT APPLY TO
THE HANDS OF YOUNG CHILDREN. DO NOT SPRAY DIRECTLY
ON FACE.

USE JUST ENOUGH REPELLENT TO COVER EXPOSED SKIN
AND/OR CLOTHING. DO NOT USE UNDER CLOTHING. AVOID
OVEREXPOSURE. FREQUENT REAPPLICATION AND SATURATION
IN UNNECESSARY FOR EFFECTIVENESS.

AFTER RETURNING INDOORS, WASH TREATED SKIN WITH
SOAP AND WATER. WASH TREATED CLOTHING.

USE OF THIS PRODUCT MAY CAUSE SKIN REACTIONS IN
RARE CASES. IF YOU SUSPECT THAT YOU OR YOUR CHILD
IS REACTING TO THIS PRODUCT, WASH TREATED SKIN AND
CALL YOUR LOCAL POISON CONTROL CENTER. IF YOU GO
TO A DOCTOR, TAKE THIS REPELLENT WITH YOU.

Directions for Use

It is a violation of Federal law to use this
product in a manner inconsistent with its labeling.

SHAKE WELL BEFORE USING

TO SPRAY: Remove protective cap. Hold dispenser upright 6 to 8 inches from the
surface to be treated and press valve. Lightly spray skin or clothing surfaces; saturation is
unnecessary. Apply to outer clothing and exposed skin areas such as hands, arms and
legs. Direct spray away from face and neck.

PHYSICAL OR CHEMICAL HAZARDS: Flammable. Contents under pressure. Do not
use near fire, sparks, or flame. Do not puncture or incinerate container. Exposure to
temperatures above 120°F may cause bursting. Do not apply to synthetic fabrics other
than cotton. May damage plastic and painted surfaces.

Precautionary Statements

Hazards to humans and Domestic Animals

Caution: Harmful if taken internally. Avoid contact
with eyes and lips, and open cuts. Do not rub eyes
if hands have been treated.

Statement of Practical Treatment

If Swallowed: Call a physician or Poison Control
Center immediately. Do not induce vomiting because
of aspiration hazard.

If in eyes: Flush with plenty of water. Get medical
attention if irritation persists.

Physical or Chemical Hazards

Do not use or store near heat or open flame.
