

slime-trol

SLIME CONTROL AGENT

FORMULA

WARNING—TOXIC—HARMFUL IF SWALLOWED. May be absorbed by skin. Causes skin irritations. Do not get into eyes, on skin or clothing. Wear rubber gloves when handling. In case of contact with skin, wash well with soap and water. In case of contact with eyes, flush promptly and thoroughly with clear water. In case of ingestion or contact with eyes, secure immediate medical attention. This product is toxic to fish and wildlife. Treatments should not be discharged where it will drain into lakes, streams or ponds.

WARNING—COMBUSTIBLE. Keep away from heat and open flame. Keep container closed when not in use.

DIRECTIONS FOR USE— Betz Slime-trol RX-17 aids in the control of bacterial and fungal slimes in pulp and paper mill systems.

This product should be added directly to the hydro-pulper of a mill system at a rate of 0.3 to 2.0 pounds per ton dry pulp or paper produced.

Technical advice on specific plant problems available from Betz.
