FORMULA

WARNING - CORROSIVE. STRONG OXIDANT.

Contact with combustible material may cause fire. Keep away from fire, heat and open flame. Do not permit to dry. May ignite if dried. Clothing contaminated with chlorite or its solutions is dangerously flammable. If spilled, flush spillage to drain with large quantities of water. Harmful if swallowed. Avoid contact with eyes, skin and clothing. In case of contact with eyes, flush promptly and thoroughly with clear water and secure immediate medical attention. In case of contact with skin or clothing, wash promptly and thoroughly with water. Rinse empty container thoroughly with water and discard.

DIRECTIONS FOR USE—Betz Slime-Trol aids in the control of objectionable slime-forming microorganisms in pulp and paper mill systems. This material should be added directly to the mill system at a rate of 0.6 to 4.5 pounds per ton of pulp or paper produced.

FOR INDUSTRIAL USE ONLY. Use only as directed by BETZ.
