Moth-Tek™

Moth-Killer for Perforated Sheets
KILLS ALL STAGES OF LARVAE

24-Hour Moth-Killer

EXCELL Moth-Tek™ Sheets is a product which combines a proven moth killer and a specially designed packet. Permits ease of handling without the need to directly touch moth killer. The specially designed paper packet provides a moth protection delivery system utilizing high technology paper which maintains a continuously uniform flow of effective moth protection.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Prepare articles for storage by thoroughly brushing and cleaning, then place in an airtight trunk, garment bag, chest, closet or drawer. Use EXCELL™ Moth-Tek™ Sheets as a whole or tear along the perforations provided to form individual packets. Use 1/2 pound (38 Packets) of EXCELL™ Moth-Tek™ for each 25 cubic feet of confined storage space. Use EXCELL™ Moth-Tek™ Sheets or individual packets liberally throughout storage space to provide uniform moth protection. Storage containers should be tightly closed at all times to maximize protection.

EXCELL™ Moth-Tek™ Sheets contain paradichlorobenzene which should not be mixed or put into contact with other moth preventative chemicals or placed on painted, polished or plastic surfaces.

PRECAUTIONARY STATEMENTS

Hazard to Humans and Domestic Animals

CAUTION: Harmful if swallowed. Avoid contact with skin or eyes.

STATEMENT OF PRACTICAL FIRST AID

If Swallowed: Drink promptly a large quantity of water. Do not induce vomiting. Avoid alcohol. Get medical attention.

If in Eyes: Immediately flush with plenty of water for 15 minutes. Get medical attention.

If on Skin: Wash with plenty of soap and water. Get medical attention if irritation persists.

STORAGE AND DISPOSAL

STORAGE: Store in original container in a cool, dry place until ready for use.

DISPOSAL: Do not reuse cellophane or any portion of this package. Wrap completely and throw in trash.
